

# K12 National College and Career Workshops

Have you thought about life after high school? Have you considered the careers that you might be interested in and whether or not you want, or will need, to attend college? There is a lot to think about to get ready: where to go, what to study, how to apply, how to pay for it, and more.

It's never too early —or too late— to explore your options!

K12 will be hosting two live workshop sessions each month through the end of the 2016–2017 school year for students to talk about college and career prep topics.

**All sessions are held on Fridays at 1 PM (ET), 12 Noon (CT), 11 AM (MT), 10 AM (PT)**
