[Georgia Apply to College Day!](#)

University System of Georgia • Technical College System of Georgia
Georgia Independent College Association • Communities in Schools
Georgia Student Finance Commission • Georgia Department of Education
Georgia Partnership for Excellence in Education

Who is this event for?

♦ **ALL Seniors**

Seniors who plan to attend a technical college, community college, or a four-year college/university should definitely participate. However, we encourage all seniors to participate even if they're unsure of what they want to do. Chances are you'll be able to apply to a college for free with a waiver and you can always decline admission later if you decide not to attend the school.

Why should I participate?

♦ **Receive Assistance with Completing College Applications**

Participating in GAC gives you the opportunity to focus on completing at least one college application for admission while receiving encouragement and assistance from GCA School Counselors and trained volunteers.
