October– Responsibility

Responsibility- *the state or act of being accountable for something; the opportunity or ability to act independently and make decisions without authority.*

Examples:

- ♦ *When you agree to do something, you follow through and do it!*
- ♦ *Thinking through decisions and having good judgement*
- ♦ *Not making excuses or blaming others*
- ♦ *Taking care of matters on time and not procrastinating*

Reflection Questions:

1. How do you make an effort to take responsibility in your personal and academic life?
2. Who is a person you know who shows responsibility?
3. Do you make thoughtful decisions on a daily basis?
