**EOY and OGT Order of Test Administration**

There is no pre-arranged test order for Ohio’s State Tests or OGT testing. Districts and schools may administer the tests in the order of their choosing. Each test must be administered during the testing window. Additionally, districts and schools may elect to administer more than one subject on the same day (OGT and EOY). ODE will not prohibit the student from taking more than 1 test in the same day. Students are not required to take part 1 first and then part second. It is permissible for students to take part 2 first and part 1 second.
