

Retrieving State Test Scores from the Infinite Campus Parent Portal

Please note the following areas that are common questions/concerns:

- You will only see scores for your GCA student through the Assessments Tab in the Parent Portal if your student took the EOC/EOG as a GCA student.
- Incoming scores from other districts will be made available through the SLDS (Statewide Longitudinal Data System) link very soon. The SLDS link is located at the bottom of the left navigation bar where the Assessments tab is. It is the direct link to this DOE site.
- If you have WD your student from GCA, and your Infinite Campus Parent Portal is no longer activated, you may submit a records request to obtain your student's scores. [Records Request Form](#)
- Please note that two of the levels start with D; Developing Learning (2) and Distinguished Learner (4). Developing Learner (2) is denoted with DL, and Distinguished Learner is denoted with DI.
