The student listed above has not completed the requirements for graduation and wishes to pursue a course of study leading to graduation and a diploma from Keystone National High School(The Keystone School). As a Parent/Guardian of the student named above, I clearly understand the compulsory school laws of my state of _____.

I accept full responsibility for my son's/daughter's enrollment with Keystone National High School for the purpose of homeschooling my child. I further understand that if I worked in the past with other school(s) for high school credit work, Keystone National High School may accept my credits for previous course work towards a Keystone National High School diploma.

I am over the age of 18 and accept full responsibility for my enrollment with the Keystone National High School as stated above.
