

# Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

## MEMORANDUM

**TO:** All Public School Business Officers, Treasurers and Business Managers

**FROM:** Joseph Engelstad, Fiscal Analyst  
Office of School Finance

**DATE:** May 13, 2022

**SUBJECT:** Annual Financial Report

I.C. 5-3-1-3 requires the secretary of each public school corporation to publish an Annual Financial Report (AFR). The AFR must be published annually during the publishing **window which will open Monday, August 1, and close Monday, August 15**. The statute also requires the Indiana Department of Education (IDOE) to develop guidelines for the preparation of and format of the AFR.

### Annual Financial Report Options

School officials have the option to publish either a detailed AFR or an AFR summary that includes a description of how to find and view the full report on the school corporation's internet website. School corporations may find updated AFR templates in each format, a summary or a detailed format, with the preferred school corporation format used for the local publication in Moodle Finance under the "Annual Financial Report" section. Publishing of either the summary or full report must be completed by **Monday, August 15**. Schools should review IC 5-3-1-2 for publication requirements.

IDOE is required to make the financial report available on its public website. Please provide a legible copy of the completed AFR and proof of publication as a scanned document in a single PDF file on or before Wednesday, August 31, via email to [AFR@doe.in.gov](mailto:AFR@doe.in.gov). Hard copies will not be accepted.

### GAAP Annual Financial Reports Required for Issuance of Bonds

Certain school corporations, outlined in IC 5-1-11.5, must file an AFR in accordance with generally accepted accounting principles (GAAP) in order to issue bonds. This language applies to school corporations with a recent fall average daily membership count of more than fifteen thousand students. The State Board of Accounts (SBOA) issued guidance regarding this provision. This information will be filed directly with SBOA.

Please note that the AFR required to be submitted through the State Gateway per IC 5-11-1-4 is a separate requirement and falls under the authority of SBOA. Submit questions related to this requirement to [annualreports@sboa.in.gov](mailto:annualreports@sboa.in.gov).

If you have questions concerning the Annual Financial Report, please contact us at [AFR@doe.in.gov](mailto:AFR@doe.in.gov).

**INSTRUCTIONS, HELPFUL HINTS, AND FORMS FOR COMPLETION OF  
THE ANNUAL FINANCIAL REPORT**

**CORPORATION WIDE DATA**

**SAMPLE A**

A comparison of your approved budgeted receipt and expenditures and your actual receipts and expenditures by major accounts for the prior calendar year (2021). You may wish to use the format described in Sample A. HINT: In the expenditure comparison, be sure to include your 2020 encumbrances, your 2021 approved budget, your 2021 additional appropriations, and any appropriation transfers to determine the approved budget for expenditures. Also, include 2021 encumbrances in the amount determined as actual expenditures.

If a fund is displayed on the sample that is not a part of your budget advertisement, do not include it in your publication. If you have a fund that is not displayed on the sample but was a part of your budget advertisement it must be included in your publication.

**SAMPLE B(1)\***

The certified salary schedule in effect June 30, 2022, including the number of employees at each salary increment and the number of full-time and the number of part-time employees. A listing of individual teachers is not required. Sample B(1) is a suggested format.

**SAMPLE B(2)\***

The certified salary schedule in effect June 30, 2022, including the number of employees at each salary increment and the number of full-time and the number of part-time employees. A listing of individual teachers is not required. Sample B(2) is an **alternate** suggested format.

**SAMPLE C**

The extracurricular salary schedule in effect June 30, 2022. Our sample is by no means all inclusive. Be sure to modify the names of the positions to fit your salary schedule.

**SAMPLE D**

The range of pay rates for all non-certified employees by specific classification, with the number of full-time and the number of part-time employees. It is suggested that you use your DOE-NE Report (Non-certified Personnel Data) for 2021-2022 to determine specific employee classifications.

**SAMPLE E**

The lowest, highest, and average salary for administrative staff, and the number of administrators in effect June 30, 2022. A list of individual administrators is not required.

**SAMPLE F**

The number of students enrolled at each grade level and the total enrollment as of October 1, 2021. Your best source of information for this item is your DOE-PE Report (Pupil Enrollment Information) for 2021. A paper copy of the Pupil Enrollment Report (DOE-PE) is available through the reports link on the message center of the STN application center.

**SAMPLE G**

The assessed valuation of the school corporation for the prior year (2021) and the current calendar year (2022). This information should be in the business office of each school corporation. If you do not know your assessed valuation it may be obtained from the Department of Local Government Finance.  
The tax rate for each fund for the prior year (2021) and current calendar year (2022). If you do not know your tax rates, they may be obtained from the Department of Local Government Finance. If a fund/tax rate is displayed on the sample that is not a part of your budget advertisement, do not include it in your publication. If a fund/tax rate is not displayed on the sample but was a part of your budget advertisement, it must be included in your publication.

**SAMPLE H**

A listing of vendors in descending order from the highest total payment in the Education and the Operations Funds to the vendor with the lowest total payments in these funds. Do not include any vendor whose total was less than \$2,500 and do not list more than the top 200 vendors.

For the purpose of the Annual Financial Report, a vendor is defined as anyone receiving a payment for providing goods and services to your school corporation; except parties receiving payment for the employees' withholding portions of payroll, and financial institutions receiving payment for purchases of securities and investments.

**SAMPLE I**

The total indebtedness as of the end of the prior calendar year. Most of the information for this item is identical to the data reported on the Statement of Obligations of the Biannual Financial Report for the period July 1 through December 31, 2021.

**CERTIFICATION**

The statute requires that each publication contain a statement providing that the contracts, vouchers, and bills for all payments made by the school corporation are in its possession, and open to public inspection. We have prepared a statement that you may wish to use for the certification. It appears on the final page of the Report.

\*NOTE: Only one worksheet for Sample B should be completed.
