## Welcome to Missouri Virtual Academy!

Missouri Virtual Academy (MOVA) is a statewide virtual school program that uses innovative technology and a rich curriculum from K12. Our program encourages students and parents to grow and learn together by exploring their personal interests and collaboratively participating in academic pursuits.

Once you begin at MOVA, you enroll in more than a school program. Walking through our virtual doors, you will immediately see a program devoted to you and your student. Our virtual academy has designed educational supports that both enhance the learning experience and provide you, the parent, strategies, and techniques to help meet your student's unique needs.

At MOVA, we believe that every student can flourish when given the opportunity. We believe in thinking differently, inspiring students, and partnering with our community. We do this by lifting students to higher standards and providing tools for success.

We are honored to partner with you in your child's education.

Best Regards,

Missouri Virtual Academy Program Administration

The purpose of this student handbook is to give students and their parents an understanding of the general rules and guidelines for attending and receiving an education from Missouri Virtual Academy (MOVA).

### *Who We Are*

MOVA, a program of the Grandview R-2 School District, is a public, statewide online school program for learners with a passion for knowledge. Our educators are dedicated to inspiring and empowering students in grades K–12 to reach their full potential. An engaging, highly interactive curriculum allows students to "dive deep" and includes the traditional core subjects as well as art, music, and world languages. Missouri-certified teachers conduct live, online classes and provide a personalized approach tailored to student needs. For students in grades 6–12, Stride Career Prep at MOVA provides a jump-start on college and career goals with industry-relevant electives in Business, Health and Human Services, Agriculture, and Information Technology. Students also enjoy activities and clubs which bring MOVA students together in an active, supportive school community.

MOVA has the right to amend the school supplemental handbook, as new state regulations come available and at the discretion of the Grandview R-2 district. If MOVA makes changes to the student handbook during a school year, the administration of campus will communicate those changes in ways that are designed to inform parents and students of the new or revised information. A current copy of the handbook will be maintained on the MOVA website.

## Questions or Concerns?

MOVA staff recognizes that life at school does not always run smoothly. As problems arise, school personnel and parents must collaborate to solve them. MOVA staff also realizes that parents and students do not always know what to do or where to seek out answers and often give up and become frustrated when problems remain unsolved. Please follow these procedures for general information or for assistance in resolving a problem:

---

**Step One**

All concerns and issues should first be directed to the student's teacher via phone or email. If a MOVA teacher cannot resolve the issue, he/she directs the parent to the appropriate contact for assistance.

---

**Step Two**

If the concern is not resolved at this level, parents are advised to contact the Principal or Assistant Principal.

---

**Step Three**

If you still have questions or concerns, you may discuss them with school administration. Please send your request for a meeting via email to Steven Richards, Principal, [srichards@missouriva.org](mailto:srichards@missouriva.org)

- If you need assistance of a language interpreter, please contact, Patricia Douglas, Special Programs Administrator, 314-924-6000.

### ***Admission of Homeless Children and Youth***

The McKinney Act of 1987, or P.L. 100-77, ensures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education as provided to other children and youth. Under the Act, schools are prohibited from delaying a homeless child's entry into school due to delays in obtaining school records. Rules regarding guardianship must be waived for homeless students living with foster parents or relatives other than their legal guardians.

### ***The McKinney-Vento Definition of Homeless***

Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (per Title IX, Part A of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act) defines *homeless* as follows: The term "homeless children and youths"--

(A) means individuals who lack a fixed, regular, and adequate nighttime residence (within the meaning of section 103(a)(1)); and

(B) includes--

- (i) children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;\*
- (ii) children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings (within the meaning of section 103(a)(2)(C));
- (iii) children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- (iv) migratory children (as such term is defined in section 1309 of the Elementary and Secondary Education Act of 1965) who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses (i) through (iii).

Additional information about supports is available by calling the school office at 314-924-6000 and request to speak with Bethany Guthrie, Operations Manager.

### ***Admissions of Youth in Foster Care***

Foster Care Education Bill of Rights The "Foster Care Education Bill of Rights" requires public school districts and child-placing agencies in Missouri, to ensure youth in foster care do not fall through the cracks when it comes to receiving an education because of situations that they experience while in care. The Foster Care Education Bill of Rights: Requires school districts to designate a staff person as the educational liaison for foster children. The liaison shall do the following in an advisory capacity:

- Ensure and facilitate the proper educational placement, enrollment in school and check out from school of foster children.
- Assist foster care pupils when transferring schools by ensuring proper transfer of credits, records, and grades.
- Request school records within two business days of a foster child in a school; and
- Submit records of a foster child within three business days of receiving a request for school records.

If a family meets the criteria, you will want to contact the MOVA office to inform them of your needs. Additional information about supports is available by calling the school office at 314-924-6000 and request to speak with the Foster Care Liaison, Bethany Guthrie, Operations Manager.

### *Notification of Rights under FERPA for Elementary and Secondary Schools*

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day MOVA receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the Head of School, a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask MOVA to amend their child's or their education record should write MOVA's Head of School, clearly identify the part of the record they want changed and specify why it should be changed. If MOVA decides not to amend the record as requested by the parent or eligible student, MOVA will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or

function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. MOVA intends to forward records on request.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by MOVA to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of

or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a state statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))

## Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a federal law, requires that MOVA, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, MOVA may disclose appropriately designated "directory information" without written consent, unless you have advised MOVA to the contrary in accordance with MOVA's procedures. The primary purpose of directory information is to allow MOVA to include information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production.
- The annual yearbook.
- Honor roll or other recognition lists.
- Graduation programs; and

- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA (Elementary and Secondary Education Act)) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA (Local Educational Agency) that they do not want their student's information disclosed without their prior written consent.

If you do not want MOVA to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the MOVA in writing by the second week of school, by emailing [movaooffice@missouriva.org](mailto:movaooffice@missouriva.org). MOVA has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user
- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

## Consent to Display a Student's Original Works and Personal Information

Teachers may display students' work, which may include personally identifiable student information, in virtual classrooms or elsewhere at the MOVA office as recognition of student achievement.

However, MOVA will seek parental consent before displaying students' artwork, special projects, photographs taken by students, original videos or voice recordings, and other original works on the district's website, a website affiliated or sponsored by the school, such as a campus or classroom website, and in school publications, which may include printed materials, videos, or other methods of mass communication.

### *Text Alerts, Messaging, and Opt-Out*

Families have the option to opt in to texting alerts from MOVA. Throughout the school year, MOVA will provide important updates regarding deadlines, events, outages, and other pertinent information by text message. Families who opt in should take the following into consideration:

- MOVA will use this tool for outreach purposes
- Message and data rates may apply

Based on student compliance or attendance, a family may receive more than the average number of text messages.

Families can change their opt-in answer at any time by emailing [movaooffice@missouriva.org](mailto:movaooffice@missouriva.org)

### *Registration Process*

Information about MOVA's registration process and timeline is available by going to <https://mova.k12.com/how-enroll.html> or by going to [www.k12.com](http://www.k12.com)

### *Change of Student Information*

As soon as there is a change in student information, which may include: address, telephone number, emergency contacts, or any other important directory information, the parent/guardian must update this information through her/his Online Learning System account within two (2) school days of the change. Please alert the school office ASAP with updated information by calling 314-924-6000 or emailing [movaooffice@missouriva.org](mailto:movaooffice@missouriva.org).

To confirm your address please follow the steps below:

- 1) Log into the D2L/OLS with your username and password.
- 2) Click "My Account" at the top right of your screen.
- 3) Select "My Account" from the drop-down menu.
- 4) Your address will appear.

### ***Attendance and Truancy***

Attendance at MOVA is determined by your child's completion of assignments and assessments within all of his/her courses, as defined by MO Rev Stat § 161.670; thus, it is especially important that your child participates in online, offline, and live class sessions.

Student truancy will be monitored at MOVA and may be cause for dismissal. According to the Core Data and Missouri Information System 2019 reporting manual, truancy reporting is *Required for all students except grade PK. Truant student has 10 or more consecutive days of unexcused absence from the school district* (p. 97).

In addition, when a student accumulates ten or more absences during any one school year, MOVA must report your child's absences to the children's division within ten business days of the 10th day of absence. Such notice will be in written form and retained in the student's school records, shall include:

- (1) The student's full name and parents' or guardians' full names.
- (2) The addresses and phone numbers of the student and parents or guardians.
- (3) The student's date of birth and age.
- (4) The student's current school and grade level.
- (5) The student's current grades for all classes in which the student is enrolled; and
- (6) The total number of days missed, and specific days missed from school.

**Thus, students will be marked as participating in a course for the week if they meet one of the following criteria:**

#### Grades K-5:

- Activity in any course (e.g., online, offline, lesson completion, live class, teacher communication)
- Student is within 10% expected progress in four or more courses

#### Grades 6 -12:

- Activity in any course (e.g., online, offline, lesson completion, live class, teacher communication)
- Have a grade of 60% or higher in each enrolled course

If a student fails to meet one of the participation criteria above, during a week (Monday – Sunday), the student will be marked truant:

- One week of not meeting a defined participation requirement equals 5 days absent
- Two weeks of not meeting a defined participation requirement equal 10 days absent
- Three weeks of not meeting a defined participation requirement equal 15 days absent
- Four weeks of not meeting a defined participation requirement equal 20 days absent

Please see MOVA's section on Non-Compliance for attendance discipline.

## Reporting Excused Absences

Due to the flexible nature of the online program, student excused absences should only be reported, if the student will be absent more than 4 days. Excused absences must be submitted and approved by MOVA's administration. Absences will be reviewed based on reasonable causes, i.e., serious/prolonged illness, severe/prolonged injury, family emergency, etc. Excused absences not approved or not reported will be marked as days truant. Excessively truant students, as defined within the attendance and truancy section of this handbook will be at risk of being recommended not to continue in the MOVA program. In addition, MOVA must report students truant to the State Department of Education. Attendance at MOVA is determined by your child's completion of assignments and assessments within all of their courses, as defined by MO Rev Stat § 161.670. Thus, it is essential to have your student work on assignments and assessments, as prescribed by your student's teachers.

To submit a planned or unplanned absence as excused for administrative review, please complete the appropriate form below:

## Course Completion

While we want all students to complete and be successful in their coursework, it is essential to define what course completion means:

- In grades 6-12 course completion means, the student earned a grade in the course at the end of the semester. This grade could be a passing or failing grade.
- In grades, K-5 course completion means, the student earned a complete in the course and not an incomplete or identified to repeat the course.

Teachers will hold Class Connect sessions throughout the week in the subject areas of Math, Language Arts, Science, Social Studies, Art, Music, and PE per grade level. Some grade levels will also have Class Connect sessions for Health, Technology, and other electives. Some lessons may be taught with an interdisciplinary focus (i.e., using reading strategies for social studies material). Students in the elementary schools shall participate in moderate physical activity for an average of one hundred fifty minutes per five-day school week, or an average of thirty minutes per day. Students in middle schools may at the school's discretion participate in at least two hundred twenty-five minutes of physical activity per school week;

Students are expected to attend all subject sessions LIVE. In the event of session conflicts, MOVA administration will work with you to produce an alternative solution.

It is the responsibility of the parent/student to follow-up on any missed work. Attending class connect sessions live is equal to attending school. *Each student's grades and standing in the course will determine their individual expectations for attending sessions.* Students are expected to attend all courses, unless notified by their teacher that their attendance is not required.

### ***Teacher and Staff Professional Qualifications***

You may request information regarding the professional qualifications of your child's teachers, including whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and whether the teacher is currently teaching in the field of discipline of his or her certification. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

### ***Teaching Materials***

Parents may review all teaching materials, textbooks, and other teaching aids used in their child's classroom and may review all tests administered to the child, after the test is given. To review these materials during regular school hours, the parents should contact the MOVA principal for access.

Further, MOVA will notify the parent or legal guardian of each student enrolled of:

- (1) The basic content of the district's or school's human sexuality instruction to be provided to the student; and
- (2) The parent's right to remove the student from any part of the district's or school's human sexuality instruction.

If the student is enrolled in a course addressing this subject matter. Notification will be sent to the appropriate families upon enrollment in the course. Notification will be sent to the appropriate families two weeks prior to the content delivery. Parents can opt out by communicating with the content teacher.

### ***Objectionable Content Policy***

If a parent finds certain lessons, books, or materials to be objectionable, they should contact their MOVA teacher with the lesson number of the objectionable content. The teacher will work with the parent to find alternative lessons to meet the lesson objectives. The assessment for the unit must be completed to show that the unit objectives have been mastered.

### ***Child Find***

The Individuals with Disabilities Education Act includes the federal Child Find mandate. Child Find requires public school districts to identify, locate and evaluate all children with disabilities, regardless of the severity of their disabilities. If you have questions or feel your child may need special education services, please contact your homeroom teacher or Patricia Douglas, Special Programs Manager, at 314-924-6000 or [pdouglas@missouriva.org](mailto:pdouglas@missouriva.org).

### ***Special Education***

MOVA will provide accommodations/modifications, adaptations, and assistive technology supports for students with disabilities according to Individualized Education Plans (IEP). MOVA is responsible for the development of the IEP, conducting evaluations, and providing special education services, as defined by the student's IEP. If you have questions regarding the implementation of IEP accommodations/modifications, curriculum or course adaptations, or assistive technology needs, please contact Patricia Douglas, Special Programs Manager, at 314-924-6000 or [pdouglas@missouriva.org](mailto:pdouglas@missouriva.org).

### ***English Language Learners***

MOVA will provide accommodations, adaptations, and assistive technology supports for students with English language (EL) needs according to individualized plans. MOVA is responsible for the development of the English Learner Plan, conducting evaluations, and providing EL services. If you have questions regarding the implementation of EL Plan accommodations, curriculum or course adaptations, or assistive technology needs, please contact Patricia Douglas, Special Programs Manager, at 314-924-6000 or [pdouglas@missouriva.org](mailto:pdouglas@missouriva.org).

### ***Section 504 and Health Plan Supports***

MOVA will provide accommodations, adaptations, and assistive technology supports for students according to their 504 Plan or Health Plan. MOVA is responsible for the development of the 504 Plan or Health Plan, conducting evaluations, and providing services outlined in the 504 Plan or Health Plan. If you have questions regarding the implementation of 504 Plan or Health Plan accommodations, curriculum or course adaptations, or assistive technology needs, please contact Patricia Douglas, Special Programs Manager, at 314-924-6000 or [pdouglas@missouriva.org](mailto:pdouglas@missouriva.org).

### ***Extra-Curricular Activities***

Outside of the virtual classroom, students are not eligible to participate in Grandview R-II school district extracurricular activities.

### ***Voluntary Withdrawal***

To voluntarily withdraw a student from MOVA, parents/guardians (or students who are 18 year of age or older) should notify the student's homeroom teacher in writing as far in advance of the withdrawal as possible. A parent withdrawal form must be completed before a student is withdrawn. For 9<sup>th</sup> – 12<sup>th</sup>

grade students, a record request must be received before a student is withdrawn. Student course records will be sent to the requesting school within 48 hours.

To return hardware and materials, students will be contacted by MOVA/K12 for return options. MOVA will send the student pre-addressed postage-paid shipping materials. The student is responsible for packaging materials and sending computer and materials back to the school in good condition.

### **Report Cards**

Report cards will be generated and emailed following the end of each semester. Current course progress can be viewed at any time in the online platform.

### **Grading Scale**

Students will be issued a letter grade for each course taken at MOVA.

If a student does not turn in an important assignment, the student will be given an incomplete/missing. When the student completes the assignment, he/she will be assigned a grade at that time.

MOVA uses the following grading scale to determine final grades for grades K-5:

100 – 90 – A
89 – 80 – B
79 – 70 – C
69 – 60 – D
Below 60 – F

MOVA uses the following grading scale to determine final grades for grades 6-12:

96-100 – A	73-76 – C
90-95 – A-	70-72 – C-
87-89 – B+	67-69 – D+
83-86 – B	63-66 – D
80-82 – B-	60-62 – D-
77-79 – C+	0-59 – F

Students will be granted a high school diploma from Grandview R-II, upon the satisfactory completion of required courses and the acquiring of the requisite number of credits as mandated by the Missouri State Department of Education and Grandview R-II’s Board of Education. Changes to your student’s course of study should be addressed by contacting your student’s MOVA counselor.

### **Grade Appeal Process**

An examination or course grade issued by a classroom teacher is final and may not be changed unless the grade is arbitrary, erroneous, or not consistent with MOVA's grading policy. If you have a question regarding your student's final grade, please contact the classroom teacher for a conference. If your concern is not resolved, please contact your student's principal.

### ***Individualized Learning Plans***

Per MO statute §161.670, MOVA students are required to have an individual learning plan (ILP) designed by certified teachers and professional staff. For students in grades K-8, ILP's will include details about the student's courses, expectations, and goals for the school year as well as provide information about future academic and career planning. High School Students will have an individualized graduation plan which will include information about their high school course plan, graduation plan, and a checklist to assist with post-graduate planning. This information will be aligned with Grandview R-II's graduation requirements, and as defined on the student's ICAP (Individual Career Academic Plan). Each plan will be shared with each student and their parent/guardian. School staff will be able to assist individual families with any questions or alterations to their child's plans, as appropriate.

[Grandview R-II Graduation Requirements](#) (pg. 31)

### ***Promotion, Summer School, and Retention***

MO. REV. STAT. §162.110 states that a district's, governing board must define the minimum level of achievement for student promotion. Specifically, governing boards must define which students should be promoted, attend summer school, or be retained within the district.

Per the Missouri statute, students should be promoted to a higher-grade level, unless the student has a reading ability one or more grade levels below the student's current grade level.

In addition, a student who does not achieve grade-level standards shall be required to attend summer school. Please note, these rules would not apply to students receiving special education services, as this would be an IEP committee decision.

It is expected that most students in the schools will be promoted annually from one grade level to another upon completion of satisfactory work, however, a student may be retained when his/her standards of achievement or social, emotional, mental, or physical development would not allow satisfactory progress in the next higher grade. Retention normally occurs before the student leaves the primary grades.

Every decision to retain or promote a student is considered individually. Factors to be considered are scholastic achievement, attendance, maturity, and standardized test scores. Retention decisions will be provided to families before July 1<sup>st</sup> of each year. For families wishing to appeal the principal's decision, please email the Executive Director. All appeals must be received within two weeks of notification of retention.

For more information, see Grandview R-II's [Promotion and Retention Requirements](#).

### ***Transcripts***

Requests for official transcripts should be submitted to your student's counselor. Typically, students 18 years of age or older must make their own request. For students under 18 years of age, the parent/guardian must make the request. Official transcripts will include confirmed courses completed.

### ***Student Privacy and Notice of Breach***

MOVA takes protecting your student's data very seriously. In the event of a breach of data that includes personal information of a student, MOVA will send written notification to the parent or legal guardian of an affected student. Notification of a breach of personal information of a student will also be sent to the Missouri Department of Elementary and Secondary Education, and the state auditor. RS Mo §162.1475

To review the entire K12 privacy policy, please visit MOVA's website, here:

<https://www.k12.com/privacy-policy.html>

### ***Assessments***

Upon enrollment and at other designated times throughout the year, all MOVA students will be required to participate in DIBELS, STAR, and/or USA TestPrep assessments. The purpose of these assessments is to determine what skills the student has mastered and individual standards that the student needs additional supports. It is critical that your child completes each assessment assigned, since our testing is purposeful and meaningful and drives our instructional practices to best serve the individual needs of your child.

### ***End of Course Assessments for High School Courses***

All students are required to take End Of Course examinations as required by the Department of Education. In addition, the following rules and/or guidelines are used concerning end of course examinations.

A. Grandview R-II must ensure that all students take required end of course exams (Algebra I, English II, Biology, and American Government).

B. Students may only take an End Of Course exam if they have shown mastery of course objectives or by counselor recommendation and communication with parent/guardian. Students who are not ready to take the exam must take summer school or retake the class to qualify for the exam.

### ***State Testing***

MOVA students must comply with all Missouri-mandated testing requirements and will take those assessments according to the grade level and course placement. State testing is completed in person and it is the family's responsibility to provide transportation to the location.

As we near testing windows, specific times and locations will be provided in advance for planning purposes. Please keep spring testing in mind when planning family trips, etc. as state testing is a mandatory attendance event.

### ***Parent/Student Escalation School Policy***

If a student and/or parent/guardian has a conflicting situation with a staff member or curricular matter at MOVA, the student/parent should follow the steps below:

1. Communicate first, via phone and email, with the teacher, counselor, or advisor involved in the situation.
2. If student/LC and the staff member cannot resolve the situation through conversation and/or meetings, then the student/LC should contact your building level principal (K-8 [kcraig@missouriva.org](mailto:kcraig@missouriva.org) or 9-12 [tfarran@missouriva.org](mailto:tfarran@missouriva.org)) to set up an appointment to discuss.

### ***Fees (All Grade Levels)***

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student.

### ***K12 Loaner Computer Policy***

MOVA provides computers to students K-12 that qualify for Free/Reduced Lunch. Free/Reduced status will be collected at enrollment and each year after July 1<sup>st</sup>. Students must follow the guidelines in this handbook regarding Computer/Technology Misuse, Netiquette, and Misuse of Technology Resources and the Internet. Please reach out to your building level principal if you have further questions.

### ***Internet Service Provider (ISP) Stipend Policy***

Families shall acquire and maintain Internet access to participate in the school. MOVA will provide a stipend to qualifying families for Internet access. Eligibility is based on students who are approved and verified as McKinney Vento or who qualify for Free/Reduced lunch. There will be one ISP stipend per qualifying family in the amount of \$120. Families may elect to waive this stipend.

A stipend check will be mailed to the address provided within the Online School for those families enrolled through the end of the school year. Address changes must be submitted through the child's homeroom teacher and must be up to date by June 1. MOVA will not re-issue checks due to addresses not being updated in the system. Internet stipends will be prorated per enrollment date. The ISP stipend will occur annually, and the check will be mailed during the summer prior to the start of a new school year. Students who withdraw before the last day of school will not receive the stipend. Qualifying families must submit proof of internet at the beginning of the school year and end of the school year. This will be in the form of the internet provider bill showing the date of service and address where service is provided. The address must match the address in the Online School.

Internet stipends may not be provided to families who fail to comply with the attendance, progress, and teacher communication policies.

### ***Non-Compliance Policy***

As full time Missouri Course Access Program (MOCAP), MOVA is required to monitor student attendance and progress, in accordance with all applicable statutes and State Board of Education rules and regulations. Missouri Virtual Academy student attendance is monitored. See Attendance and Truancy Policy in the Parent Student Handbook for requirements for each school level. Missouri Virtual Academy teachers and administration will monitor student attendance and progress, including whether students are completing required instructional activities, which will be a determining factor in student advancement to the next curricular level and continued enrollment in MOVA. A MOVA parent or student may be deemed non-compliant for any of the following reasons:

- Failure to make sufficient progress
  - Repeated failure to complete progress and/or attendance each day during the school year
- Failure to respond to staff/teacher/administrator phone calls, emails
- Failure to accept any MOVA certified mail
- Failure to participate in scheduled parent, student, & teacher conferences/meetings
- Failure to attend required Class Connect sessions
- Failure to submit required work by deadlines
- Failure to participate in state-mandated assessments
- Failure to participate in diagnostic or interim assessments
- Falsifying progress or student work in the Online School
- Providing student(s) access to adult's Online School username/password
- Failure to participate in required intervention programs or sessions
- Failure to follow other school policies
- Failure to follow Individualized Learning Plan (ILP) requirements
- Failure to comply with agreed provisions set forth within a qualifying student's Individualized Education Program (IEP)
- Cyber-bullying and/or inappropriate behavior in any online capacity or at any MOVA event.

### **Non-compliance procedures:**

**Step 1:** Prior to determining non-compliance, the teacher will communicate with the parent/learning coach the concerns of the teacher by phone with a follow up email summarizing the conversation. The teacher will make every effort to support the parent/learning coach in his/her needs and to clearly and concisely communicate the policies and expectations for students and parents as outlined in the MOVA Student/Parent Handbook. Teachers will also refer to the students' Academic Improvement Plan and/or Individual Learning Plan. The teacher will conference with MOVA administration as needed for assistance.

**Step 2:** When a teacher makes the determination that a student/parent/learning coach is non-compliant, the MOVA non-compliance form #1 will be sent to the parent via email and U.S. mail. A copy of the non-compliance form will be sent to MOVA administration, Grandview administration, and the resident district contact via email and a copy of the non-compliance report will be placed in the student's permanent online notes. Parent/learning coach should follow instructions regarding non-compliance notice to address areas of concern and should direct any questions or concerns to teacher. Parent/learning coach and student will have one week to show progress toward sufficiently addressing the non-compliance issues.

**Step 3:** If the non-compliant issue is not resolved or sufficiently addressed within one week (7 calendar days) following the teacher's email and letter, a teacher will send non-compliance form #2 to the MOVA administration and parent/learning coach. The non-compliance form #2 will inform that failure to address the concerns may result in the student's removal from MOVA. The parent/learning coach will also be informed that they have the opportunity during the 7 days to present any information they deem relevant regarding the non-compliance and such information will be considered prior to any final decision regarding the student's removal from Missouri Virtual Academy. The parent/learning coach is expected to comply with the instructions on the non-compliance notice by addressing the areas of concern in the manner designated within 7 days of the form's date. Student may be required to meet teacher for one-on-one sessions. Failure to address issues will lead to the final non-compliance step.

**Step 4:** If the non-compliant issue continues and is not resolved or sufficiently addressed within one week (7 calendar days) of non-compliance form #2 or within a reasonable time-frame following a conference with parent regarding the non-compliance form #2 (if later than the 7 calendar days), the teacher will submit noncompliance notice # 3 to MOVA administration. School administration will review the recommendation, and consider any information received from the parent/learning coach and will determine whether the student will be removed from MOVA. If the principal determines that the student has reached non-compliance #3 status and should be removed from MOVA, the school's principal will send a letter and copy of the non-compliance report to the parent via certified-mail and email notifying the parent that the student is being removed from MOVA. A copy of the letter and non-compliance report will be placed in the student's file as part of their permanent school record. The student's principal will notify the parent/learning coach that the student is being removed from MOVA via a phone call. The principal will also notify the parent/learning coach that the student is being removed from MOVA and inform the parent of his/her legal obligation to enroll his/her student(s) in the local public school, private school, or notify the district of his/her intent to homeschool, per state requirements. If MOVA disenrolls a student, MOVA will immediately provide written notice to Grandview and the student's school district of residence of same.

**Step 5:** School administration will initiate the withdrawal process, and the homeroom teacher will provide the documentation. Missouri Virtual Academy may choose not to re-enroll a previously removed, noncompliant student. Any student disenrolled during the school year, shall be prohibited from re-enrolling for the remainder of the school year.

**Manifestation Process for Non-Compliant Students:**

## 504 and IEP

1. MOVA's non-compliance policy is followed for any students regardless of disability through NC2. This is used for truancy, misconduct, and general non-compliance.
2. Upon sending an NC2 to a student with a disability or a family whose student has a disability, the IEP case manager, 504 manager, principal, and special programs manager will receive a copy of the NC2.
3. For a student with a disability who engages in misconduct resulting in a change of placement, a manifestation determination review must be performed within 10 school days of any decision to change the placement of the student with a disability because of a violation of a code of student conduct. Notice of the manifestation determination review will be sent via certified mail, email, and phone call to a parent when scheduling. The special education teacher/504 coordinator will send out a meeting request to the general education teacher, special programs manager, principal, and other IEP team or multidisciplinary team members as well.
4. For students with an IEP, the manifestation determination review must be conducted by MOVA, the parent, and relevant members of the IEP team, as determined by MOVA and the parents. For students with a Section 504 plan, the manifestation determination review should include a parent and must be conducted by people knowledgeable about the student, the meaning of evaluation data, and Section 504 procedures.
5. The meeting will be held in the school required platform and a decision as to whether the act of misconduct is a manifestation of the student's disability will be determined by the team.
6. The manifestation determination review will involve a review of all relevant information in the student's file, including the student's IEP or Section 504 Plan, any teacher observations, any relevant information provided by the parents, and a broad range of data that is recent enough to understand the student's behavior.
7. The finalized documents will be uploaded to SpedTrack and a copy of the forms will be sent to the parent, Grandview, and the resident district.
8. The case manager will log a note in TVS to show that a manifestation determination review was held and whether the misconduct was a manifestation of the student's disability.
9. After a manifestation determination review is held, it is up to the administration as to whether to proceed with the NC3, based on the team's decision from the meeting.
10. For purposes of this policy, a "change in placement" occurs when:
  - a. A student is removed for more than 10 consecutive school days; or
  - b. A student is subjected to a series of removals that constitutes a pattern because:
    - i. The removals total more than 10 school days in a school year;
    - ii. The child's behavior is substantially similar to the child's behavior in previous incidents that resulted in removal; and
    - iii. Additional factors such as length of each removal and the proximity of the removals to each other.
2. For a student who is eligible under the IDEA or receives accommodations and services under Section 504 and whose truancy or general non-compliance adversely affects learning, the student's IEP team or multidisciplinary team must convene to address the student's truancy or general non-compliance before the student is removed from MOVA.

### **English Language Learners:**

A student who is an English Learner is not required by state law to have a manifestation conference, but a review conference is held by the LPAC committee to determine whether the non-compliance is due to

the development of the English language. Once the LPAC committee reviews the data, the decision is noted in TVS notes, and an email is sent to the principal with the team’s determination.

### ***Student Code of Conduct***

The purpose of the student code-of-conduct is to emphasize student expectations and provide guidelines for appropriate online school behavior.

Infractions are grouped into categories according to the seriousness of the offense. Each disciplinary action category gives a range of penalties which may be issued and are not all- inclusive. The disciplinary action to be taken does, however, provide students with a basic understanding of the seriousness of the offense. Furthermore, student penalties may be increased or decreased at the discretion of MOVA administration and Grandview R-II according to each set of circumstances and according to past discipline problems.

It should be understood that not all disciplinary situations are covered in this handbook. MOVA administration will use the appropriate Grandview R-II Code of Conduct as published in the student family handbooks for situations outside the bounds listed below. Further, the student’s continued participation in MOVA courses may be in question and the student may be withdrawn, based on Grandview R-II’s policy.

[Elementary Code of Conduct](#) (pg. 36)

[Middle School Code of Conduct](#) (pg. 23)

[High School Code of Conduct](#) (pg. 26)

Furthermore, when a student violates MOVA’s rules which also violate state laws, a complaint may be signed by MOVA administration with the local Sheriff’s Department. Some examples of these violations include, but are not necessarily limited to, the following:

1. Battery
2. Possession, distribution, or use of drugs
3. Theft
4. Vandalism
5. Fighting

### ***Seclusion and Restraint***

Restraint and seclusion will apply to MOVA student outings, or any student events hosted by MOVA. The purpose of this policy is to promote safety and prevent harm to all students, school personnel and visitors as well as treat all students with dignity and respect in the use of discipline and behavior management techniques.

#### **Seclusion**

Seclusion is defined as the confinement of a student alone in an enclosed space from which the student is physically prevented from leaving by locking hardware. Seclusion is prohibited except for an emergency while awaiting the arrival of law enforcement personnel as provided for in RSMo 160.263.

#### **Isolation**

Isolation is defined as the confinement of a student alone in an enclosed space without locking hardware. Isolation may only be used by authorized school personnel such as an administrator or any person, paid or unpaid, working at a school function in an official capacity:

- After de-escalating procedures have failed.
- In an emergency where a student’s behavior poses a serious, probable threat of imminent physical harm to self or others or another person’s property; or

- As specified in a student’s Individualized Education Program (IEP), Section 504 plan, or other parentally agreed-upon plan to address a student behavior.

Use of isolation requires all of the following:

- The student to be monitored by an adult in close proximity who is able to see and hear the student at all times. Monitoring shall be face-to-face unless personal safety of the child or staff member is significantly compromised, in which case technology-supported monitoring may be utilized.
- The total time in isolation is to be reasonably calculated by the Academic Administrator or Head of School on a case-by-case basis based on the age of the child and circumstances and is not to exceed 40 minutes without a reassessment of the situation and consultation with parents and/or administrative staff, unless otherwise specified in an IEP or Section 504 Plan or other parentally agreed-upon plan to address a student’s behavior.
- The space in which the student is placed should be a normal-sized meeting or classroom commonly found in a school setting.
- The space in which the student is confined is comparable in lighting, ventilation, heating, cooling, and ceiling height to those systems that are in use in other places at the location.
- The space in which the student is placed must be free of objects that could cause harm.

Isolation shall never be used as a form of punishment or for the convenience of school personnel.

**Physical Restraint**

Physical restraint shall only be used in one of the three circumstances below:

- In an emergency situation.
- When less restrictive measures have not effectively de-escalated the situation; or
- When otherwise specified in an IEP, Section 504 Plan or other parentally agreed upon, plan to address a student’s behavior.

Physical restraint shall:

- Only be used by authorized school personnel.
- Only be used for as long as necessary to resolve the actual risk of danger or harm that warranted the use of the physical restraint.
- Use no more than the degree of force necessary to protect the student or other persons from imminent bodily injury.
- Not place pressure or weight on the chest, lungs, sternum, diaphragm, back, neck or throat of the student which restricts breathing; and
- Only be done by school personnel trained in the proper use of restraint.

Any school personnel using physical restraint shall:

- Use only methods of restraint in which the person has received district approved training.
- Conduct restraint with at least one additional adult present and in line of sight, unless other school personnel are not immediately available due to the unforeseeable nature of the emergency.

Physical restraints should never be used as a form of punishment or for the convenience of school personnel.

## **Chemical Restraint**

Chemical restraints shall never be used by school personnel.

Aversive interventions that compromise health and safety shall never be used by school personnel.

## **Communication and Training**

### **School Personnel Debriefing**

Following any situation involving the use of seclusion, isolation, or restraint, as defined, a debriefing shall occur as soon as possible but no later than two (2) school days after the emergency. The debriefing shall include, at a minimum, a discussion of the events that led to the emergency and why the de-escalation efforts were not effective; any trauma reactions on the part of the student, other students, or school personnel; what, if anything, could have been done differently; and an evaluation of the process.

## **Parental Notification**

Except as otherwise specified in a student's IEP or Section 504 plan:

Following a situation involving the use of seclusion, isolation, or restraint the parent or guardian of the student shall be notified through verbal or electronic means of the incident as soon as possible, but no later than the end of the day of the incident. The parent or guardian shall receive a written report of the emergency within five (5) school days of the incident. The written incident report shall include all the following:

- Date, time of day, location, duration, and a description of the incident and de-escalation interventions.
- Event(s) that led up to the incident.
- Nature and extent of any injury to the student.
- Name of a school employee the parent or guardian can contact regarding the incident and contact information for that employee.

## **Staff Training**

Missouri Virtual Academy shall ensure that all school personnel are trained annually regarding the policy and procedures involving the use of seclusion, isolation, and restraint.

Reports on Use of Seclusion, Isolation, Restraint or Aversive Behavior Interventions Districts shall maintain records documenting the use of seclusion, isolation, restraint and aversive behavior interventions showing each of the following: when, reason for use, duration, names of school personnel involved, whether students or school personnel were injured, name and age of the student, whether the student has an IEP, Behavior Intervention Plan (BIP) or other personal safety plan, when the parents were notified, if the student was disciplined, and any other documentation required by federal or state law.

### ***Title IX Non-Discrimination Policy***

MOVA is committed to providing an environment that is free from all forms of sex discrimination, which includes gender-based discrimination, sexual harassment, and sexual violence, as regulated by Title VII and Title IX, and to ensuring the accessibility of appropriate grievance procedures for addressing all complaints regarding all forms of sex discrimination and sexual harassment. MOVA reserves the authority to independently deal with sex discrimination and sexual harassment whenever becoming aware of their existence, regardless of whether a complaint has been lodged in accordance with the grievance procedure set forth below.

#### **Information and Assistance**

##### **Definition of Sex Discrimination and Sexual Harassment (for Students):**

- Sex discrimination occurs when a person, because of his or her sex, is denied participation in or the benefits of any education program or activity that receives federal financial assistance.
- Sexual harassment is conduct that: 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program or activity. Sexual harassment can be verbal, nonverbal, or physical.

##### **Definition of Sex Discrimination and Sexual Harassment (for Employees):**

- Sex discrimination occurs when a person who is qualified for a position at issue is subjected to an adverse employment action because of his or her sex.
- Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: 1) submission to such conduct is made a term or condition of employment; 2) submission to or rejection of the conduct is used as a basis for employment decisions affecting the individual; or 3) the conduct has the purpose or effect of unreasonably interfering with the employee’s work performance or creating an intimidating, hostile or offensive working environment.

Any individual, who believes he/she may have experienced any form of sex discrimination or sexual harassment, or who believes that he/she has observed such actions taking place, may receive information and assistance regarding the school’s policies and reporting procedures from any of the following:

## *Title IX Grievance Guidelines*

Any student, parent/guardian, current or prospective employee or other individual within the school community who believes he/she has experienced and/or observed sex discrimination or sexual harassment (“grievant”) should promptly report the matter to the school’s Title IX Coordinator, a school counselor, principal, or other school administrator. A Title IX grievant is requested to complete a complaint form (Appendix D). Complaints of alleged sex discrimination, including sexual harassment, brought forth by students, parents/guardians, current or prospective employees, and other members of the school community will be promptly investigated in an impartial and in as confidential a manner as reasonably possible, so that corrective action can be taken if necessary.

## **Grievance Procedures**

The grievance procedures will be as follows:

1. It is the express procedures at MOVA to encourage the prompt reporting of claims of sex discrimination and/or sexual harassment. Timely reporting of complaints facilitates the investigation and resolution of such complaints. A form for such purpose can be found on our website and will also be provided to grievant. As it pertains to students, in appropriate circumstances, due to the age of the student making the complaint, a parent/guardian or school administrator may be permitted to fill out the form on the student’s behalf.
2. At the time the complaint is filed, the grievant shall be given a copy of these grievance procedures. It is the responsibility of the Title IX Coordinator or designee to explain these procedures and answer any questions anyone has. In addition, if the grievant is a minor student, the Title IX Coordinator should consider whether a child abuse report should be completed in accordance with MOVA’s policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. The Title IX Coordinator or designee shall investigate the complaint as promptly as practicable but in no case more than ten (10) working days from the date the complaint was received. The Title IX Coordinator or designee shall have the complete cooperation of all persons during the investigation.
4. The Title IX Coordinator or designee shall meet with all individuals reasonably believed to have relevant information, including the grievant and the individual(s) against whom the complaint was lodged, and any witnesses to the conduct. The investigation shall be carried on discreetly, maintaining confidentiality insofar as reasonably possible while conducting an effective investigation.
5. If after an investigation, the Title IX Coordinator or designee determines that there is reasonable cause to believe that sex discrimination or sexual harassment has occurred, MOVA shall take appropriate corrective action to ensure that the conduct ceases and will not recur. The Title IX Coordinator or designee shall also provide and or arrange for confidential counseling or training where appropriate. In addition, the Title IX Coordinator or designee shall seek an informal agreement between the parties which is consistent with MOVA’s Title IX principles and goals.

6. If no agreement satisfactory to the parties can be reached within twenty (20) working days from receipt of the complaint, the Title IX Coordinator or designee shall make a report to the School Board within thirty (30) working days from receipt of the complaint.
7. The School Board shall review the case and make its recommendations to the Title IX Coordinator within fifteen (15) working days after receiving the grievance.
8. The Title IX Coordinator shall make provisions to maintain all records of complaints and their disposition.
9. Retaliation against an individual for filing a complaint or cooperating in an investigation is prohibited, and MOVA will take actions necessary to prevent such retaliation.

#### Dissemination of Information

MOVA shall notify applicants for admission and employment, students, parents/guardians of elementary and secondary school students, employees, and sources of referral of applicants for admission and employment, that it does not discriminate on the basis of sex in the educational programs or activities which it operates, and that it is required by Title IX and its administrative regulations not to discriminate in such a manner. The notification shall be made in the form and manner required by law or regulation.

#### ***Private, State and Federal Programs Administration Protection of Student Rights***

All instructional materials, including teachers' manuals, films, tapes, or other supplementary material which will be used in connection with any student survey, analysis or evaluation shall be available for inspection by parents/guardians of the students. This requirement also applies to the collection, disclosure or use of student information for marketing surveys.

No student shall be required to submit to a survey, analysis, or evaluation as part of a school program or marketing survey that requires students to reveal personal information concerning:

1. Political affiliations of the student or student's family.
2. Mental and psychological problems of the student or his/her family.
3. Sexual behavior and attitudes.
4. Illegal, antisocial, or self-incriminating behavior.
5. Critical appraisals of other individuals with whom respondents have close family relationships.
6. Religious practices and affiliations.
7. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
8. Income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance.

MOVA will give parents notice of their right to inspect surveys and instructional materials used in educating their children, and of the right to opt their child out of participating in activities that concern any of the above eight areas.

#### ***Emergency Messaging***

MOVA will rely on contact information on file with the program to communicate with parents in an emergency, which may include real-time or automated messages. An emergency purpose may include

early dismissal or delayed opening because of severe weather or another emergency, or if the program must restrict access due to a security threat. It is crucial to notify your child's school when a phone number previously provided to the district has changed.

### ***Nonemergency Messaging (Phone and Text, if opted in)***

MOVA will request that you provide contact information, such as your phone number and e-mail address, for the school to communicate items specific to your child, your child's school, or the district. If you consent to receive such information through a landline or wireless phone, please ensure that you notify the school's administration office immediately upon a change in your phone number. MOVA may generate automated or pre-recorded messages, text messages, or real-time phone or e-mail communications that are closely related to the school's mission, so prompt notification of any change in contact information will be crucial to maintain timely communication with you. Standard messaging rates of your phone carrier may apply. If you have specific requests or needs related to how MOVA contacts you, please contact your child's principal.

### ***What do I do if my internet goes out?***

Internet is a requirement of MOVA. If your internet temporarily goes out, you will still need to complete school work. We suggest going to a local library, a local business that provides WIFI, or another location with public internet, while you resolve your internet issues. K12 Customer Care is the first point of contact for parents and students who need computer help. Call 1-866-512-2273 to speak with K12 Technical Support.

### ***School Outings & Student Activity Clubs***

MOVA may sponsor optional outings for students and families that enhance the K12 curriculum/learning activities. While attendance is not mandatory, it is a wonderful opportunity to meet other school participants and share information about programs and successful practices. Outings are opportunities for both the students and parents to socialize. It is our hope that the teachers and parents will work together to plan and implement these activities. Parents are responsible for the cost of transportation and any entrance fees associated with optional outings. Credit for field trips is not offered in lieu of the regular OLS requirements. Outings are scheduled in various locations, throughout the state, and where a majority of MOVA students reside. Every effort is made to maximize outing locations throughout the year.

MOVA expects students to dress appropriately when attending outings. Examples, of inappropriate dress include:

- Clothing, apparel, or jewelry that by words, signs, pictures, or any other combinations thereof, advocates or promotes sexual activity, violence, death, suicide, or the use of alcohol or drugs, or

demeans, degrades, or intimidates another because of race, sex, religious persuasions, national origin, disability, or gang membership.

- Apparel that reveals or exposes the midriff/lower back or sides of the upper body or torso and/or undergarments.
- Any clothing that is excessively tight, is of transparent material, see through material, or that is ripped or torn, or has suggestive signs or symbols.
- Any clothing through which underwear or any type of undergarment may be seen.
- Spandex, clothing that does not cover backs, clothing that permits viewing of cleavage, halter, tank with open sides, spaghetti strap, and muscle/tank shirts.

MOVA parents and students are expected to conduct themselves appropriately at all optional outings. Parents are responsible for supervision of their children at all times.

### ***Health Policy Parent Information***

School administration will work closely with the staff and students to maintain a healthy environment. Students who become ill or injured during an onsite event will immediately be reported to the administration or site lead. Parents will immediately be called if not onsite. If your child requires medication, you are asked to stay on location to provide it. MOVA staff will not administer medication to students at optional school activities. Any health condition should be reported by the parent to MOVA staff prior to the event.

### ***Child Abuse Hotline***

Any person may report suspected child abuse, neglect, or exploitation. Anonymous reports are accepted from individuals who are not mandated by occupation to report, but please consider identifying yourself. Being able to contact you later helps the Children's Division staff complete a more thorough [investigation](#). They may also need to ask you for more information during the investigation process.

When making a report, be sure to have the following information:

- Name of the child
- Name of the parent(s)
- Name of the alleged abuser
- Where the child can be located

The Missouri Child Abuse and Neglect Hotline Unit utilizes Signs of Safety when screening calls. To learn more about Signs of Safety, please visit <https://www.signsofsafety.net/>

The Children's Division Child Abuse and Neglect Hotline (CA/NHU) is a toll-free telephone line which is answered seven days a week, 24 hours a day, 365 days a year - 1-800-392-3738

### Using Mobile Devices with the Online School

Unfortunately, devices running the latest iOS, iPadOS, and AndroidOS can be used as supplemental devices in some cases, but your experience may vary between different courses and different devices.

For Learning Coaches, please see the [K12 App](#) available on both iOS and Android that allows you to enroll your student(s), log attendance, track your student progress, and contact school staff from your mobile devices.

Also, see [iPhones, iPods, iPads, Smart Phones and Mobile Apps](#) to learn about K12 Apps for smart phones and other mobile devices.

### Software

The free software below is for both a Windows or Mac computer unless noted:

### Internet Connections

It is highly recommended that a broadband connection be used instead of dial up. Please note the following if you are using a dial-up connection:

- ALL web acceleration software must be disabled for the school to work properly.
- If you are using NetZero, the 3G or Hi-Speed version of the NetZero software is not able to be used consistently with the Online School. The basic version of the NetZero Software should be installed.
- If you are using MSN, you cannot use MSN Explorer consistently.
- You MUST meet the minimum speed of 56kbps -- [click here to perform a speedtest](#).

### Gigabyte Usage

The amount of data transferred over your Internet connection each month depends on the student's enrolled course(s). We are not able to provide this information. Please contact your ISP provider if you have concerns.

### Additional Concerns

- Pop-up Blockers can affect your ability to access the Online School
- Internet Security Products, such as Norton, can inhibit your online experience
- Software firewalls installed on your PC often will cause accessibility problems
- Firewalls must have the following ports open to both TCP and UDP traffic to allow access to the OLS: 80, 8080 and 443
- Touchscreens and Wacom tablets can interfere with accessing links in the Online School -- please see the manufacturer's support site for instructions on how to configure these devices to work consistently with Flash Player
- If you require the use of a screen reader for accessibility reasons, the Online School supports the use of NVDA with Firefox on Windows and VoiceOver on Safari on macOS.
