

## Parent/Learning Coach Compact

The purpose of this Compact is to set expectations for Ohio Virtual Academy (OHVA) parents/Learning Coaches. Your child's educational success, a primary goal of OHVA, can only be achieved if you understand your key role in following the curricular and attendance requirements below.

- My role, which is vital for my student's academic achievement, is valued and respected among administrators, teachers, staff and volunteers at OHVA.
- I believe that my student has the ability to grow academically.
- I will abide by OHVA's policies and procedures as outlined in the OHVA School handbook.
- I will maintain **continuous** Internet service and make sure my student has daily access to participate in the school.
- I understand that the Ohio Virtual Academy program includes the **K12 curriculum, periodic assessments, Class Connects, and other instructional tools, specific to my student's academic requirements. I understand that students will be required to attend and participate in live CC sessions on a daily basis.** I will actively supervise my student while participating in the OHVA academic program. Learning Coach guidance is essential for students in the K-8 program and also needed on a regular basis in high school.
- My student is enrolled in a public school and must meet the state attendance requirements. Students in grades 1 -12 require a minimum of 920 hours, and part-time kindergarten students require 460 hours per year. To reach my student's academic goals, average daily attendance may range from 3 hours (kindergarten) to 8 hours (5th grade through high school).
- As the Learning Coach, I am responsible to accurately record attendance and progress in my student's Online School to reflect online and offline school work. I will keep a record of offline school work hours. Insufficient hours recorded in the system over time is a truancy issue and could result in my student's removal from OHVA.
- My student will participate in **all required state achievement and diagnostic testing.** It is my responsibility to provide transportation to and from the test site(s). Testing dates are determined by the Ohio Department of Education (ODE).
- I will actively engage with OHVA staff by participating in conferences, reading email on a daily basis, submit requested assignments, and attend face-to-face (F2F) activities throughout the year, including state testing, and ETR and IEP meetings (if applicable.) If I have designated another person to act as Learning Coach for my student, I will conference jointly with the Learning Coach and OHVA teacher(s).
- I will work with and treat administrators, teachers, staff, and volunteers professionally, understanding that staff must follow set schedules and policies.

**Failure to follow the school's program requirements may result in my student's removal from Ohio Virtual Academy.**
