Earlier this spring the Board had approved the Gallagher insurance plan for the school year. Insurance certificates will be sent to Mitchell SD later this week.

Action Items:

Insperty benefit renewal cost details were shared out, we had a higher cost for the upcoming year. We were looking at approximately \$48,000.00 increase. Melissa and Sonimar worked with Insperty to decrease costs. These savings were passed along to staff therefore decreasing their cost for medical insurance.

We are proposing to increase company contributions to decrease costs for our employees. School was paying for 60% in the past, we will now be contributing much more as a school. Details of the savings were shared out with the Board.

Details of the Charter renewal were shared. The goal is to get all three schools on the same schedule for charter renewal with Mitchell SD. We are required to reach out to Mitchell and let them know our intent to renew. This will happen by Sept 1. Upon approval of the proposal, it would result in all three schools expiring in 2030 at the same time.

Sheila added the details of the statutes for renewal. It has been a mutual goal to get all three schools on the same renewal schedule.

Chet agreed this is a good decision for all schools.

PERS retirement plan for employees. Now our eligible employees contribute 6% for their PERS contributions. The proposed change is to move to the school paying 3% and the employee continuing to pay 3%. This would result in a better benefit package for all perspective and current eligible staff with a goal of retaining staff. This will impact our overall budget by an increase of \$107,986. This is based on 74 employees who currently contribute to PERS.

Chet requested to hear from the other Administrators in future school board meetings to receive academic updates.

C. Finance – Conrad Michka

PERS Proposal details, we currently have 74 employees that contribute as active PERS members, annual cost to the school is \$107,986. This is 3% of the total 6% for the employee contribution portion.
