\*Legislation passed in the 2021 General Assembly ([HB2027](#) and [SB1357](#)) requires the implementation of "through year" growth assessments in reading and mathematics in grades 3-8. School year 2021-2022 required fall and spring administration of these assessments. For school year 2022-2023, full implementation of the legislation is required and includes fall, mid-year, and spring face to face testing.
