According to Act 1039, Arkansas law requires reporting of the Dyslexia program currently being used by school districts in the state. Arkansas Virtual Academy currently uses the *Susan Barton Reading and Spelling System* and *Nessy Reading and Spelling* as dyslexia intervention programs.

The district provided dyslexia interventions to 75 students with characteristics of dyslexia during the 2017-18 school year. This year we had 28 students identified as having dyslexia characteristics and needing interventions.
