According to Act 1039, Arkansas law requires reporting of the Dyslexia program currently being used by school districts in the state. Arkansas Virtual Academy used the Reading Horizons program in 2018-19. Arkansas Virtual Academy will be using Phonics First for Dyslexia Interventions in 2019-20.

The district provided dyslexia interventions to 65 students with characteristics of dyslexia during the 2018-19 school year. This year we had 6 students identified as having dyslexia characteristics and needing interventions.
