How will our school provide opportunities for parents to be involved in the development, implementation and evaluation of the school wide school improvement plan, and the Annual Title I Meeting to engage them in the decision-making processes regarding the school's Title I, Part A Program?**

The Arkansas Virtual Academy Elementary School has a Parent and Family Engagement Plan developed jointly with parents and revised each year based on an annual needs survey and to reflect programs and practices that enhance parent and family engagement and address the specific parent and family engagement needs of the students and their families as well as the specific academic improvement needs of the school. Parents have the opportunity to give input and suggestions for revision of the school plan through surveys and participation in the Parent and Family Advisory Committee. For more information please contact Gina Moore, [gmoore@arva.org](mailto:gmoore@arva.org)

A Parent and Family Advisory Committee (PAC) will serve as a forum for parent suggestions for ARVA improvement.
