

California Virtual Academy at Los Angeles

School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2018-19)

School Contact Information	
School Name	California Virtual Academy at Los Angeles
Street	50 Moreland Road
City, State, Zip	Simi Valley, CA 93065
Phone Number	805-581-0202
Principal	Suzanne McCarty

School Description and Mission Statement (School Year 2018-19)

California Virtual Academy @ Los Angeles believes that, given a comprehensive and mastery-based curriculum, high expectations, access to technology, strong instructional support, a significant amount of off-line work, guidance from experienced teachers, and a strong commitment from parents or other caring adults, a well-conceived virtual education program will boost student achievement, serve the unique needs of students and families, and offer a new model for effective public education in the 21st century.

The goals of our educational program include:

- Enabling all students to become self-motivated, competent and lifelong learners
- Empowering the parent as the teacher through a guided program and training
- Offering flexibility and choices to increase student interest in learning
- Using a variety of lessons, activities, and modalities to improve student achievement
- Striving for mastery of all skills by every student
- Developing reflective learners
- Developing technology literate students

Our Mission Statement

California Virtual Academy at Los Angeles is an online, public charter school with a mission to provide a comprehensive standards-based program to diverse student learners who seek an individualized, engaging educational setting. In partnership with parents and Learning Coaches, our dedicated teachers affirm and inspire students to become life-long learners. We model and instill independence, self-advocacy, and critical thinking in order to educate the whole child. Our goal is to develop a self-disciplined and accountable individual who is prepared to enter the workforce or higher education and be a contributing member of the community.

Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Kindergarten	169
Grade 1	125
Grade 2	125
Grade 3	124
Grade 4	136
Grade 5	138
Grade 6	190
Grade 7	246
Grade 8	311
Ungraded Elementary	--
Grade 9	210
Grade 10	270
Grade 11	291
Grade 12	234
Ungraded Secondary	--
Total Enrollment	2,569

Student Enrollment by Group (School Year 2017-18)

Student Group	Percent of Total Enrollment
Black or African American	18.5
American Indian or Alaska Native	1.8
Asian	3.1
Filipino	2.6
Hispanic or Latino	26.1
Native Hawaiian or Pacific Islander	0.9
White	37.2
Two or More Races	--
Socioeconomically Disadvantaged	62.0
English Learners	3.7
Students with Disabilities	11.4
Foster Youth	0.2

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	100%	100%	99%	n/a
Without Full Credential	0	0	1	n/a
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	n/a

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: August 2018

CAVA is a public charter school. Students are provided new curriculum each year.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Embark Plus (TK), Summit ELA Blue (K), Summit ELA Green (1st), Summit ELA Orange (2nd), Summit ELA Purple (3rd), Summit ELA Red (4th), Summit ELA Yellow (5th) English/Language Arts 6, English/Language Arts 7, English/Language Arts 8 Summit English 9, Summit English 10 (includes Honors); Core, Comprehensive, Honors, AP, American Literature, British/World Literature; Journalism, Creative Writing	Yes	0%

School Facility Conditions and Planned Improvements (Most Recent Year)

CAVA @ Los Angeles is a non-site based independent study school.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: N/A		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		
Interior: Interior Surfaces		
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		
Electrical: Electrical		
Restrooms/Fountains: Restrooms, Sinks/Fountains		
Safety: Fire Safety, Hazardous Materials		
Structural: Structural Damage, Roofs		
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: N/A	
Overall Rating	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	42.0	40.0	52.0	53.0	48.0	50.0
Mathematics (grades 3-8 and 11)	20.0	16.0	38.0	38.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1500	1324	88.27	39.56
Male	706	621	87.96	34.85
Female	794	703	88.54	43.71
Black or African American	315	269	85.40	23.68
American Indian or Alaska Native	27	23	85.19	21.74
Asian	50	48	96.00	60.42
Filipino	35	35	100.00	62.86
Hispanic or Latino	374	340	90.91	38.17
Native Hawaiian or Pacific Islander	15	13	86.67	30.77
White	568	494	86.97	44.02
Two or More Races	116	102	87.93	51.49
Socioeconomically Disadvantaged	961	837	87.10	32.65
English Learners	109	104	95.41	23.30
Students with Disabilities	188	159	84.57	13.46
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1,503	1,321	87.89	15.63
Male	709	620	87.45	15.61
Female	794	701	88.29	15.64
Black or African American	316	268	84.81	6.74
American Indian or Alaska Native	27	22	81.48	0
Asian	50	48	96	41.67
Filipino	35	35	100	41.18
Hispanic or Latino	375	340	90.67	13.1
Native Hawaiian or Pacific Islander	15	13	86.67	23.08
White	569	493	86.64	16.94
Two or More Races	116	102	87.93	22.55
Socioeconomically Disadvantaged	963	834	86.6	11.39
English Learners	109	104	95.41	8.74
Students with Disabilities	191	158	82.72	5.13
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education Programs (School Year 2017-18)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered by the school district that are aligned to the model curriculum standards. The list should identify courses conducted by regional occupational centers or programs and those conducted directly by the school district. This section provides a listing of the primary representative of the career technical advisory committee of the school district and industries represented.

We do not offer CTE.

Career Technical Education Participation (School Year 2017-18)

Measure	CTE Program Participation
Number of pupils participating in CTE	0
% of pupils completing a CTE program and earning a high school diploma	0
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	39.6
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	7.0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	18.6	16.5	14.4
7	18.0	20.9	14.5
9	22.1	15.0	13.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are an extremely important part of California Virtual Academy @ Los Angeles (CAVA). Parents will help us to evaluate the school's program each year through meetings and surveys. Each year when surveyed, parents of California Virtual Academy @ Los Angeles students state that they are more involved in their child's education than they were at their previous school. Some parents will also serve as mentors to new families and families that are struggling with technology complications or curriculum problems. The mentors support and encourage families in learning to navigate the day-to-day management of home education. Parents are given an opportunity to make their voices heard (both online and offline) and provide their opinions on the direction of the school.

Direct parental involvement is fundamental to the school's success. Parents are involved from the start of the school year by researching our program and choosing to enroll their child in our school. Parents attend a registration conference and agree to the enrollment requirements. By completing these steps, parents show they are committed to being an active member of their student's education team in our program.

Parental involvement is enhanced by the fact that the school will be educating not only students, but also its parents. Parents will be trained on the K12 instructional system, and taught how to be effective instructional coaches under the guidance of highly qualified and certificated teachers. Many parents will learn how to use computers for the first time, become expert e-mail and Internet users and will be exposed to a content-rich curriculum, including classic literature, a comprehensive re-telling of the story of history, various musical genres, and great works of art. Parents will have a rich social networking experience with the school Facebook site and Yahoo Groups. We have many resources available both online and offline. There are ongoing Parent/Learning Coach training opportunities through K12 Speaker Series, Online School tutorials, In Person and Virtual New Parent Orientations, and staff-presented Learning Coach workshops.

Elementary teachers contact all families within 24 hours of a student being assigned and document their contact as a Student Connection Call. An individualized learning plan which includes a classroom guide and course catalog is provided to students within 2 weeks of their start in our school or the beginning of each semester. Parent/Teacher conferences are held twice a year. Goals are discussed with parents and provided with assessment scores. Our Family Support Coordinator offers orientations to families at the start of the year and start of the semester to support families with onboarding. Our FAST team also does check-ins and provides onboarding support for their first few weeks of enrollment. Our elementary department sends out pulse checks and surveys to families frequently to identify areas of needed support. Teachers host orientations for their new students within 2 weeks of enrollment to support new families and address upcoming goals/standards for instruction.

Middle School teachers are offering our middle school parents Parent Education sessions. These sessions provide support to our parents with understanding and working with their students in the common core curriculum for mathematics and English language arts. We have a very detailed Parent Student Handbook, Special Education handbook and CAVA New Parent Resource Guide. We have a Parent Mentor program to provide the ultimate one on one experience for Learning Coaches who would like a mentor to support them in their journey.

At the high school level, parent communications will begin in August with Welcome Calls from teachers. They will also be receiving a link to their Grad Plan in an email from the counseling team. Parent-Teacher conferences take place twice a year. Welcome Back calls will take place again at the start of the spring semester, with a focus on goals and accomplishments. Live in-person Family Orientations will be held throughout LA the first week of school. In addition, Regional Leads host Virtual Parent Orientations the first few weeks of every semester (both day and evening). Parent Workshops will be led by Regional Leads and Principals once each month, focused on specific topics. All LA area families will be invited and encouraged to attend. Parent Support Sessions will be led by Regional Leads and offered 4 times per year (both day and evening), 2 weeks before closing date to target families of struggling students. Families will be identified using the HS tracker and personally invited to the session. Attendance will be tracked, via google survey.

At each Community Day site, parents are invited to attend in-person parent support sessions. These sessions are practical, hands-on workshops that provide relevant information to parents so they can better understand the curriculum and support their students. Topics include: writing process/expectations, student organization/motivation, understanding common core math, supporting/developing reading fluency/building comprehension, and CAASPP. These sessions encourage collaboration and connection with other parents. Parents are also invited to observe classroom instruction.

Parents are actively encouraged to participate in California Virtual Academy @ Los Angeles planning, organizational, Board of Directors, and other meetings. They are also encouraged to offer ideas and planning assistance with field trips, social events, and other outings. We have parent representatives on the California Virtual Academy @ Los Angeles School Site Council. The local Community Day sites have active parent-organized leadership teams that supports activities at the sites. We offer community-building at the school and state level, as well as the national level with other virtual academies.

The California Virtual Academy @ Los Angeles community encourages parents to discover the resource that best meets their needs. We have many layers of support in place, as well as opportunities for parent leadership.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Dropout Rate	27.6	25.7	22.0	3.2	3.5	10.2	10.7	9.7	9.1
Graduation Rate	59.1	65.7	61.6	92.0	91.9	82.3	82.3	83.8	82.7

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Completion of High School Graduation Requirements - Graduating Class of 2017 (One-Year Rate)

Group	Graduating Class of 2017		
	School	District	State
All Students	79.6	90.8	88.7
Black or African American	75.6	80.6	82.2
American Indian or Alaska Native	0.0	66.7	82.8
Asian	100.0	100.0	94.9
Filipino	66.7	89.5	93.5
Hispanic or Latino	69.5	90.4	86.5
Native Hawaiian/Pacific Islander	0.0	60.0	88.6
White	92.5	94.6	92.1
Two or More Races	91.3	85.7	91.2
Socioeconomically Disadvantaged	72.1	93.1	88.6
English Learners	22.2	50.0	56.7
Students with Disabilities	68.6	75.2	67.1
Foster Youth	0.0	88.9	74.1

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	0.0	0.0	0.0	2.2	1.7	1.3	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.1	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

The California Virtual Academy at Los Angeles takes staff and student health and safety very seriously. Because the school will be a virtual school, there will be no need for a school building where classes are held on a daily basis. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records will be kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations prior to matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to §48216 (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community.

All pertinent and required health and safety documentation is collected at time of hire or enrollment as appropriate. Documentation is on file in the student's records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The school has drafted health and safety procedures that the school will follow to ensure the health and safety of pupils, which shall include compliance with the criminal background check requirements described in Sections 44237 and 45125.1 of the Education Code.

Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	26.0	31	9	24	26.0	24	10	18	21.0	37	7	15
Mathematics	23.0	29	2	18	26.0	5	2	4	26.0	18	3	12
Science	26.0	19	2	13	19.0	24	2	10	17.0	29	2	8
Social Science	26.0	24	7	21	29.0	19	1	19	24.0	27	--	16

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2.4	420
Counselor (Social/Behavioral or Career Development)	0	N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)	0	N/A
Psychologist	4.3	N/A
Social Worker	.43	N/A
Nurse	0	N/A

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$9,531	\$1,650	\$7,811	\$60,696
District	N/A	N/A	\$7,881	\$78,647
Percent Difference: School Site and District	N/A	N/A	-0.9	-25.8
State	N/A	N/A	\$7,125	\$76,522
Percent Difference: School Site and State	N/A	N/A	9.2	-23.1

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

CAVA ensures that resources are allocated to support learning for all students while adhering to state and federal regulations. We receive Title I, Part A, Title II, Part A, and Special Education funds. Title I funds are primarily used to provide a 3-tiered intervention program for students who need extra support. Title II funds are used for professional development for staff. Special Education services are offered within our full- inclusion, general education, independent study model. These services are available for all students who have been identified as qualifying for special services. All English Language Learners are provided an English Language Development program that includes online instruction and/or an online ELD program.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$48,682	\$47,547
Mid-Range Teacher Salary	\$78,802	\$74,775
Highest Teacher Salary	\$97,502	\$93,651
Average Principal Salary (Elementary)	\$123,918	\$116,377
Average Principal Salary (Middle)	\$127,896	\$122,978
Average Principal Salary (High)	\$149,527	\$135,565
Superintendent Salary	\$252,299	\$222,853
Percent of Budget for Teacher Salaries	33.0	35.0
Percent of Budget for Administrative Salaries	6.0	6.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2017-18)

Professional Development (Most Recent Three Years)

The professional development activities at California Virtual Academy @ Los Angeles for the TK-12th grade staff are designed to be pertinent to staff professional needs and to enhance student instruction and learning. A variety of staff development opportunities are provided to increase interest and expertise, acquire new ideas and materials, and develop instructional techniques, strategies, organization, and classroom management skills.

California Virtual Academy @ Los Angeles administration staff holds meetings in person, as well as virtually, various times through the year to provide staff professional development. In-person professional development meetings occur at the beginning of the school year, and quarterly thereafter. Virtual teacher meetings also occur regularly throughout the year. Teachers are also welcome to research and attend workshops they feel will be beneficial to the enhancement of their profession. Administration provides surveys to both staff members and parents to determine areas of need in Professional Development for teachers on a regular basis (monthly and at the end of each school year).

Professional Development for the elementary, middle, and high school focused on improving skills in targeted instruction in order to increase student engagement in synchronous sessions, ensure ample time for students to practice and master skills supporting content standards and increase methods of checking for understanding in the virtual environment.

School Administration as well as outside area experts provide professional development and training to staff.

Professional Learning Communities (PLCs) were initiated in January of 2015. These monthly collaborative group meetings allow grade level/content specific teachers to meet together, dive into and dissect the Common Core State Standards, and plan for effective instruction "with the end result in mind." Based on the amount of positive teacher feedback received, PLCs were continued for the 2016-2017 and 2017-2018 school years and are continuing for the 2018-2019 school year.

Elementary School Professional Development:

The Elementary Department staff participates in both in-person and virtual professional development throughout the year. A one-day, in-person professional development conference is held in August prior to students starting school. This conference provides dynamic opportunities for all elementary staff to engage in collaboration, professional development, and preparation for the upcoming school year. It also provides a unique venue for teachers and leaders alike to work together in person, both in large and small groups, to focus on program updates, instructional excellence, and student achievement. Additional in-person professional developments are held in February to allow grade levels to conference together to improve instruction, test readiness, and academic assessment data and response. Virtual professional developments are held each year in October and June.

Professional Development topics for each school year are selected based on feedback provided by staff on surveys and from our Student Achievement Plans, which are grade-level curriculum and support maps to help teachers guide their instruction and support students on their individual path to success.

Virtual professional developments were held monthly in 2016-2017 topics included: i-Ready: Understanding the Data and Utilizing the Resources for Effective Instruction, Effective Instruction: Planning with the End in Mind (using rubrics and anchors to teach effectively), Student Engagement in the Virtual Classroom, Student Referral Processes; Standards Mastery/Mid-Year Diagnostic; Instructional Grouping, Common Core State Standards Valentine Party, and Planning for a Strong Finish to the 16-17 school year. In addition, the staff utilized the book Teach Like A Champion for three years as part of ongoing professional development.

In the 2017-2018 school year, the Elementary Department continued to focus on student achievement and utilizing data to drive instruction throughout professional development. A strong focus was placed on verifiable student learning, to ensure that teachers were carefully reviewing assessment data for students, identifying those who demonstrated need for additional instruction, planning and implementing targeted instruction, and then reassessing to ensure student learning had occurred. Additionally, teachers, Regional Leads, and Principals engaged in a year-along book study utilizing "The Growth Mindset Coach" to foster a growth mindset in the classroom. Monthly professional developments were aligned with the book and monthly growth mindset mantra.

In the 2018-2019 school year, the Elementary Department continued to focus on student achievement and utilizing data to drive instruction throughout professional development. A strong focus was placed on Math instruction, to ensure that teachers were utilizing research-based and Common Core aligned instructional strategies in their virtual classrooms. Topics included Number Talks, How to Learn Math for Students, Questioning Techniques for Increased Student Engagement, Using Student Grouping Effectively, and Teaching Math Like a Mystery. Additionally, Instructional Coaches and Principals engaged in a Book Study utilizing Mathematical Mindsets, which was applied with teacher's during 1:1 Instructional Coaching Feedback sessions. Continued focus was also placed on the Structure of Learning Outcomes (SOLO) and utilizing Scaled Learning Outcomes to differentiate instruction for students during targeted instructional sessions in Math and ELA.

Data conferences are held with all levels of elementary school staff. Director with Principals, Principals with Leads, and Leads with teachers. These conferences are held monthly, as data is relevant for analyzing and discussing student data to drive instruction. These conferences are held in tandem with teacher observations and feedback conferences with Instructional Coaches to develop teaching strategies and student support. Grade levels also meet as a team regularly to plan for the upcoming instructional periods.

Teachers are also assigned individual trainings throughout the year to support their knowledge of K12 Curriculum, instructional practices and knowledge of CAVA policies of procedures. These trainings for both new and returning teachers are outlined on their training tracker. Teachers also work with their Leads and Instructional Coaches to identify specific professional development relevant to their individual needs. Teachers are required to attend one professional development opportunity each semester, focused on improving their instruction.

In the Middle School, Professional Development is offered to staff on a continuous basis throughout the school year and includes:

- **Teacher Training:** Trainings ensure that our staff are knowledgeable of the middle school program, processes, and procedures. Timely trainings are provided to staff through our administrative team, teacher mentors, and K12 Training.
- **Team staff meetings:** Teaching teams gather with their Regional Leaders monthly to review student data and discuss program supports & strategies.
- **Professional Learning Communities:** Teachers gather monthly to participate in grade level collaboration and data driven instructional planning.
- **Grade Level Collaboration:** Teachers meet monthly with their grade-level peers to plan and collaborate
- **Campus All Staff Professional Development:** Quarterly professional development sessions are led by our Middle School Leadership Team. Student data is reviewed with a focus on current pass rates, diagnostic and Interim assessment scores and other relevant data. Data review is followed by a focused discussion on instructional strategies and resources to increase these metrics, as we strive to meet our school goals.
- **Teacher Collaboration Meetings (TCD)** Teachers have the opportunity to collaborate in-person, along with their grade level peers three times during the school year to discuss and share valuable instructional practices.
- **Individual Professional Growth:** Teachers have the opportunity to participate in outside professional development, as they choose.
- **Data conferences** are held with all levels of middle school staff. These conferences are held regularly by the leadership team and teaching staff. Student engagement and achievement based on grade level standards remediation or mastery will be analyzed, and collaboration on re-teaching and improving student mastery is discussed.
- **Instructional Coaching:** Regional Leads provide regular observations and provide formative feedback for teachers. Formative feedback is based on specific instructional indicators that will support in driving student academic achievement, for example instruction and planning.

High School Professional Development was developed in response to feedback obtained from staff through surveys and conversations. All high school teachers participate in quarterly Professional Learning Communities (PLCs). These cooperative groups are led by Curriculum Specialists. This affords the teachers an opportunity to brainstorm new ideas, work with current data, share best practices, and learn from one another. In-person Teacher Collaboration Days, led by the Regional Lead, take place in the Fall and Spring semesters. These Professional Development opportunities will provide guidance on developing and monitoring personal SMART goals, sharing of best practices, learning about new trends and resources available to teachers, analyzing performance and perception data gathered from students and families, and collaborative work time. Every high school teacher meets monthly with the Regional Lead to work on personal Professional Development passions and goals. These 30-minute meetings are teacher-directed and topics vary from month to month and teacher to teacher. Teachers are informally observed by their assigned Regional Lead or Curriculum Specialist monthly. There is feedback and coaching provided after each observation. High school teachers attend yearly professional development on testing to include, but not limited to, Instructional Strategies, Communicating Expectations, Supporting At Risk Students, Student Engagement, Providing Meaningful Feedback, and Supporting Academic Achievement, CAASPP overview, Proctor Responsibilities, Testing walk through, Technology Training, and Special Education. High school teachers participate in a yearly book study; for 2016-2017, they read and discussed "The Innovator's Mindset" by George Couros during the team collaboration meetings and individual data meetings with their Regional Lead. In 2017-2018, high school teachers read and discussed "Teach Like a Pirate" by Dave Burgess during team collaboration meetings and individual data meetings with their Regional Lead. In 2018-2019, the HS book study is "Fires of the Mind" by Kathleen Cushman, which illustrates student voice and how teachers can facilitate student voice in their classrooms; teachers read and discuss during team collaboration meetings and individual data meetings with their Regional Lead.

California Virtual Academy @ Los Angeles's Intervention Specialists work closely with those students who are struggling with math and language arts. Professional development for this team has focused on instructional strategies for improving the quality of instruction, closely monitoring progress, and adapting lessons to meet the needs of individual learners. The topics in 2016-17 included instructional coaching and observation. In 2017-18, the topics included utilizing data to provide specifically designed targeted lessons. For 2018-19, the focus is on Structure of Learning Outcomes (SOLO) and math sessions, as well as engaging lessons and instructional coaching. Professional development is in-person 1-2 times yearly, and occurs virtually monthly. These events encourage staff to collaborate and participate in case studies to strengthen the impact of instruction with California Virtual Academy @ Los Angeles students.

Professional Development is offered to staff on a continuous basis throughout the school year and includes:

- LEAP Teacher Training: Trainings ensure that our staff are knowledgeable LEAP program, processes, and procedures. Timely trainings are provided to staff through our administrative team and K12 Training.
- Team staff meetings: Monthly team meetings to provide resources, support, guidance and collaboration with teachers.
- Data conferences: held quarterly by the leadership team and teaching staff to look at student goals, achievement and attendance. Leadership classroom observations are also reviewed.
- Peer Instructional Coaching: Teachers are paired up and observe each other to provide formative feedback once per quarter. Formative feedback is based on specific instructional indicators that will support in driving student academic achievement, for example instruction and planning.
- Learning Walks: Teachers submit and watch recordings of each other's classes once per quarter and meet in teams to provide meaningful feedback based on specific instructional indicators.
