**Governance**

- Board Voted to approve the Media Policy and Mission/Vision on Governance Committee Recommendations

**Finance**

- Monthly Financials were reviewed and no changes have occurred from last month report
- Staff explained that there has been a change to the pension liability laws for the state of Georgia, because of this change the contract between the board and K12 needed to be amended to show that the Net Assets do not include anything related to GASB 68
- Decision was made to hold approval vote for proposed amendment over email after Christy Thomas and Alexa had the opportunity to provide their input. Alexa slightly revised the initial draft and provided to the Board for approval.
