No oral communication.
II. Hoosier Academy- Governance and Organization

A. Resolution 2016-13, Insurance Approval

Mr. Marske provided a recap from the April 26, 2016 meeting with Marty Dezelan. During the April meeting the Board approved to not RP this year, and that the information being voted on tonight are the final numbers for the insurance policy. There is also a Cyber Policy proposal for review, but will be tabled for next month.

The current insurance expiration date is July 31, 2016. The insurance covers all three schools, as well as the board. It is the exact same coverage that Hoosier is currently operating under now, however, there is an increase in cost due to addition of 380 students because the average number of students went up compared to last year, and the addition of three teachers. The total cost went up from $61,123 to the proposed program cost of $66,551, which strictly comes from those numbers.

Mr. Brumbarger motioned to approve Resolution 2016-13, Mr. Luta seconded. The motion passed.

B. Resolution 2016-14, Amendment to Lease Agreement

Mr. Marske provided that because of the Insight School, the administration building is going to need more space to accommodate the Insight Administration team. The resolution is approving an additional 625 square feet at the Franklin location. The additional cost to the rent at Franklin Rd is $450 per month. This has also been put into the FY2017 budget.

Mr. Luta motioned to approve Resolution 2016-13, Amendments to Lease Agreement. Mr. Meyer seconded. The motion passed.

C. 2016-2017 Employee Handbooks Briefing

Jenny Perry provided a briefing on the 2016-2017 Employee Handbook. The Employee Handbook did not undergo any policy changes or updates. Insperity also reviewed the Employee Handbook and recommended no changes. The September 2015 version is the latest, and is available in Dropbox in the Board Policies folder.

III. Hoosier Academy- School and Student Outcomes

A. Resolution 2016-15, School Handbooks

Jenny Perry provided a comparison summary for the three schools. All three schools follow the same format and structure, but have certain areas and topics that may differ depending on which handbook is being reviewed. The differences are seen in the operational side and administration side of each school. Legal would recommend to keep the same format and structure so that changes can be made easily. The current versions in Dropbox had changes that involved deleting duplication of sections, updating table of contents and deleting of comments.

Mr. Luta moved to approve Resolution 2016-15, School Handbooks. Mr. Meyer seconded. The motion passed.
B. Resolution 2016-16, Related Services for Insight

Mr. Marske reviewed Resolution 2016-16. Part of our EMO agreement with K12 allows for them to contract with outside vendors to provide services for students. Resolution 2016-16 is approving student services for students that will attend Insight. The contract will be the same rates as it is for Hoosier Indy and virtual, and will be provided by Learning Therapy. Mr. Meyer motioned to approve Resolution 2016-16. Ms. Turner seconded. The motion passed.

C. Introduction of Virtual K-8 Academic Administration

Dr. Ernest introduced the new academic administration for K-8, Jody Wilson. Mrs. Wilson truly believes that teachers should have a voice and that we should be developing teacher leaders. This is her first year teaching in a charter, virtual school and is excited for the challenges yet to come.

D. K12 Teacher of the Year

Dr. Ernest presented the K12 Teacher of the Year, Jill Landers. Mrs. Landers was a part of the 2015-2016 Focused Leadership Academy and was nominated by her peers. She has applied for Teacher of the Year and is currently in the Woodward Wilson fellowship program at the University of Indianapolis where she will earn her MBA in Education. Mrs. Landers new role is Chief Academic Fellow Leadership where she will be an interventionist for math hybrid students, and also a leadership role focusing on the teacher evaluation.

E. Teacher Evaluation Taskforce Briefing

Dr. Ernest briefed the Board on teacher evaluations. The school is working with the Indiana Appraisal Teacher Support System to re-look at how our teachers are evaluated. We were able to become part of INTASK with Indiana University and the DOE. The teacher evaluation taskforce is made up of 21 members; academic administrators and the rest teachers. Subcommittees are meeting to review the current evaluation and how can this help our teachers, and coming up with a schedule for evaluations. We will be coming to the Board in the fall with some of the new changes, but will use the current evaluation template until the new one is complete.

IV. Hoosier Academy Financial, Legal and, School Operations

A. Financial Report

Ms. Ashley reviewed the vouchers with the Finance Committee as well as with the Board for Indy and Virtual for the month of June.

Mr. Meyer moved to submit the June vouchers for both Indy and Virtual for audit. Mr. Luta seconded. The motion passed.

Ms. Ashley reviewed the forecast for June and highlighted the YTD forecast has increased by $252k due to higher expenses; highlighted the balance sheet with assets and liabilities; and the cash flow with the
inflows and outflows. Inflow of $2 million in State Aid and outflows of $1.32 million in K12 payments and $682 million in payroll.

Mr. Meyer moved to submit the financials for both Indy and Virtual for audit. Mr. Brumbarger seconded. The motion passed.

Ms. Ashley reviewed version 3 of the FY17 budget. There were increases to the budget; 7 staff members; added monies to the rent; for the additional space needed; and the fellowship.

Mr. Meyer motioned to table the approval of the revised FY17 V3 budget for next month’s meeting. Mr. Brumbarger seconded. The motion passed.

**B. Community Report**

Mrs. McFann presented on behalf of Ms. Borrelli. The Back-to-School Mini Expos begin July 25th-29th, and the Back-to-School Epos run August 4th-27th. There are also online sessions being offered for new families to attend to get additional help. Locations and links are on the strong start website.

**C. Enrollment Report**

Ms. Coe presented the current enrollment for the 2016-2017 school year for Indy, Virtual and Insight. Indy K-12 is at 216; virtual K-12 is at 2867; and Insight is at 609. There was a drop in virtual enrollment because we were able to identify and move virtual students to Insight.
