   ISAT testing – the testing window closes on May 20th. The students are almost done with this process and the school has already tested over the 95% population mandate.

   Ms. Edginton provided the Directors with information about an end of the year event at the Capitol.

   Senior Finals are set for May 19th and 20th. Graduation will follow on May 25th in Nampa, May 27th in Idaho Falls and June 1st in Coeur d’Alene. Finals for the rest of the high school students are set for June 1 and 2. Ms. Edginton responded to inquiries from Chairman Robinson-Eckert regarding the timing of graduation ceremonies.

   The last day of school is June 2nd. The last for teachers is June 7th.
The face-to-face board meeting is set for the 26\textsuperscript{th} of July and the administration has been working on those arrangements.

The first day for the new school year is set for September 6\textsuperscript{th}, as per the Board’s approval calendar.

III. **EXECUTIVE SESSION**

The Board has two student hearings scheduled for tonight’s agenda.

Though this was the time set for the first student hearing, the session was tabled until later in the agenda for the arrival of the first family. Board Clerk Groshong indicated that he will, periodically throughout the remainder of the meeting, check to see if the first scheduled family has arrived.

IV. **CONSENT AGENDA ITEMS:**

1. Approval of Minutes from April 2016 Regular Meeting
2. Approval of April 2016 Monthly Invoices
3. Approval of K12 Invoice
4. Approval of Payment to K12

6. Approval of April 2016 Financial Report
7. 2016-2017 Budget Approval – For Publication
8. 2016-2017 Pay Scale Approvals

The Directors reviewed and conferred about the various Consent Agenda items. There are a number of items on the agenda additional than the usual monthly consent agenda. The first is the approval of the publication of the budget documentation in advance of the budget hearing. The second is pay scale approval.

The Chairman opened the discussion for questions. Mr. Wenger provided the Directors with information about the budget for publication in response to inquiries.

Discussion was held regarding the assumptions for the budget publication including a revenue increase of just over 7\% as well as anticipated increases in costs.

The pay scales propose an average 3.4\% increase for teachers. The increase is a bit higher for the newer teachers on the scale. Over the last few years the school has been trying to take steps to bring the compensation schedules more
in line with other comparably sized schools and other Idaho Public Schools. The Directors reviewed the schedules and additional stipends with the Administrative team. This discussion included the topic of the career ladder and the state legislature’s increase in funding for teacher compensation.

The worksheet slides were addressed between the Directors and Mr. Wenger. Discussion included increases in “school transportation”, increasing product costs, reimbursement for “transportation” and how such cost increases impact upon revenue increases. Discussion addressed laptop distribution and use next year for both Middle School and High School students where in previous years it was just High School students. This change will have budgetary impacts on both expenses and revenues.

The Directors next addressed the Cash Flow documentation with Mr. Wenger.

Motion was made by Director MacConnell to approve all matters in the Consent Agenda as presented, including the compensation schedules and publication of the budget in advance of the school’s budget hearing.

Motion seconded by Director Tower.
Motion approved by unanimous vote.

V. SCHEDULED FOR ACTION:

A. BUSINESS

1. BOARD DISCUSSION RELATING TO BOARD MEMBERSHIP

Ms. White provided the Directors with information relating to the School’s Charter (page 17/18); policies (No. 103), Articles of Incorporation (Article VIII) and Bylaws (Article 3) regarding board membership, allowed number of members, process and procedures as well as terms for such memberships.

Ms. White responded to inquiries from the Directors.
Ms. White addressed the impact that an increase in director numbers may have on quorum requirements for a meeting as well as to enter into executive session.

The Director Membership Committee, Chairman Robinson-Eckert and Director MacConnell addressed the remainder of the Directors regarding their work for the Committee and their recommendation to increase the
number of members at this time as well as identification of the two individuals that are recommended for vacancies should the Board agree to a six member board at this time.

2. **BOARD APPROVAL TO EXPAND THE NUMBER OF BOARD SEATS**

The Directors discussed the number of allowed members as per the corporate documentation for the school. The discussion included a review of the recommended process for increasing the number of seats at this time and then allowing the Directors then seated during the Annual Meeting to decide if they wish to again revise this number.

   Motion was made by Director MacConnell to increase the number of Directors of the IDVA Board of Directors from the current number of five (5) seats to six (6) seats, with such new positions to take effect at the commencement of the next regularly scheduled meeting.

   Motion seconded by Director Sankovich.
   Motion approved by unanimous vote.

3. **APPROVAL OF POLICY 103 (Amended)**

Board Policy 103 references that the membership of the Board shall be five (5) members. It is necessary to change this policy to be consistent with the change in Director numbers. This change also outlines the length of term for each of the Director seats.

   Motion was made by Director MacConnell to approve the amendments to Policy 103, as presented, increasing the number of directors.

   Motion seconded by Director Sankovich.
   Motion approved by unanimous vote.

4. **BOARD MOTION TO APPOINT SEAT 4**

The Directors discussed the appointment for Seat 4. This is the appointment that would address the remainder of the term from the resignation of Kerry HENINGER. The term for this position expires July 2017.
Motion was made by Director MacConnell to appoint Bjorn Handeen to complete the term and fill the vacancy on the Board in Seat number 4.

Motion seconded by Director Sankovich.
Motion approved by unanimous vote.

5. **BOARD MOTION TO APPOINT SEAT 6**

The Directors discussed that this will be the newly approved seat for the Directors. Pursuant to Policy 103, this seat is set to be open until July 2018, to maintain staggering terms. The Board, at its annual meeting, can determine if they wish to re-organize associated with Seat 6 and Seat 3, which shall be open at the end of Chairman Robinson-Eckert’s term.

Discussion was also held regarding the conflict inquiry that was advanced to the Idaho Attorney General’s Office.

Motion was made by Director MacConnell to appoint Jeff Thompson fill the newly created seat on the Board, Seat number 6.

Motion seconded by Director Sankovich.
Motion approved by unanimous vote.

6. **LEADERSHIP PREMIUMS – Teacher Nominations and Board Selections**

Ms. Edginton addressed the Directors with regard to the teacher nominations and Board Selection obligations associated with teacher Leadership Premiums and the care that needs to be addressed after issues raised during the last legislative session. The school already approved an amendment to its Leadership Premium policy earlier this spring so that it is in full compliance with mandates and expectations.

Ms. Edginton reviewed the nomination folders with the Directors. There is one nomination that needed to be disregarded because following the request would put the Directors in violation of policy and law.

As the Directors commenced review of the evaluations, it was realized that the information raised was something that required a more detailed discussion of the evaluation of public school employees and
needs to be addressed in executive session. To the extent the existing Agenda, which already has a notation for Executive Session under 74-206(1) (b) to consider the evaluation, dismissal or disciplining of public officers, employees, staff members or agents, does not encompass this discussion and/or the action items noted on the Board’s Agenda subsequent to executive session do not encompass the issue of Leadership Premium awards, coupled with the fact that the Board must consider and address such premiums during this Board Meeting. Director Tower moved to amend the Agenda to include a discussion by the Board pursuant to section 74-206(1) (b), Idaho Code, relating to the evaluation of school employees as well as a post-executive session action item to address Teacher Leadership Premiums.

Motion was seconded by Director MacConnell.
Motion approved by Unanimous Vote.
