

Appropriate Use of Technology

Insight School of Indiana reserves the right to review any material transmitted using Insight School of Indiana instructional computing resources or posted to an Insight School of Indiana instructional computing resource to determine the appropriateness of such material. Insight School of Indiana may review this material at any time, with or without notice. E-mail transmitted via Indiana Virtual Charter Academy instructional computing resources is not private and may be monitored.

Insight School of Indiana Indemnification Provision

Insight School of Indiana assumes no responsibility for information obtained via the Internet which may be illegal, defamatory, inaccurate, or offensive. Insight School of Indiana assumes no responsibility for any claims, losses, damages, costs, or other obligations arising from the use of instructional computing resources. Insight School of Indiana also denies any responsibility for the accuracy or quality of the information obtained through user access. Any statement accessible on the computer network or the Internet is understood to be the author's individual point of view and not that of Insight School of Indiana, its affiliates, or its employees.

Insight School of Indiana assumes no responsibility for damages to the user's computer system. Nothing in this policy negates any obligation the student and parent have to use the instructional computing resources as required in the Use of Instructional Property Agreement ("Agreement") the parent or guardian signed as part of the student's enrollment packet. In the event that this Code conflicts with the Agreement, the terms of the Agreement shall prevail.
