**INSTRUCTIONS FOR PRESENTATIONS TO  
THE BOARD BY PARENTS AND CITIZENS**

The Insight PA Cyber Charter School (“School”) welcomes your participation at the School’s Board meetings. The purpose of a public meeting of the Board of Directors (“Board”) is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

1. Agendas are available to all audience members by requesting the agenda from the Insight PA Cyber Charter School Office (484-713-4353).
2. “Requests to Speak” forms are available to all audience members who wish to speak on any agenda items or under the general category of “Oral Communications.” Speakers may also request to be placed on “Speakers List” by calling the Insight PA Cyber Charter School (484-713-4353) seventy-two hours in advance of the meeting.
3. The “Oral Communications” portion is set-aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not take action. These presentations are limited to three (3) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
4. With regard to items that are on the agenda, you may specify that agenda item on your request form and you will be given an opportunity to speak for up to three (3) minutes when the Board discusses that item.
5. When addressing the Board, speakers are requested to state their name and address and adhere to the time limits set forth.
6. Citizens may request that a topic related to school business be placed on a future agenda by submitting a written request at least seventy-two (72) hours in advance of any regular meeting. Once such an item is properly agenzized and publicly noticed, the Board can respond, interact, and act upon the item.
