   Mr. Deans in collaboration with McGuire Woods met with members of the General Assembly to inform them of the progress of NCVA and address any questions that may have arisen. Discussions were held to clarify the term “Discretion” as it refers to “the State Board of Education, at its discretion, may take up hearings regarding our charter renewal.”

b. Mr. Travis Mitchel shared that Communities in Schools [CIS] will host an introductory meeting for the parents of NCVA to inform them of educational opportunities they may opt into. The opportunities include academic enrichment in math and ELA during after-school, weekends and summer engagements, End of Grade Camp beginning in two weeks designed to boost EOG scores in grades 3 through 8, and after school phone support for homework and remediation. The board expressed appreciation for Mr. Mitchel’s efforts.

c. Mrs. Contreras provided the board an overview of our Family Academic Support Team [FAST]. This team works with students and parents to conduct instruction in regards to onboarding, login help, online class orientation, and assist in alleviating other barriers to academic success. The primary reasons families are referred to FAST by teachers and academic administrator is truancy and family crises. Fast communicates with families weekly to resolve issues. Approximately 10% of our population is receiving services by our FAST team.

d. HOS Update – Dr. Joel Medley discussed re-registration and the progress made in less than two weeks (2/3 of families have already indicated their intent and only 40 families have said they are not planning to return). The 6th, and next to last, Pulse Check was reviewed with the school getting the highest satisfaction scores thus far in the school’s history. The board chair asked a question regarding grade band distribution and the head of school explained that no new 11th or 12th graders will be taken in the lottery. Other topics included the ACT assessment, marketing/enrollment strategies utilized, and an overview of the presentation to the Charter School Advisory Board.

e. Mascot and Colors – Dr. Medley shared with the board the students and faculty of NCVA decided to adopt a mascot and colors ahead of our first graduating class. The school voted to adopt “The Beacons” for the mascot and the colors as Navy and White.

f. Dr. Moody shared with the board that our expenditures are on par with our budget, our IRS Forms 990 and 5500 were sent in on time, the committee reviewed the January and February invoices and are requesting the board approve them.
