**INSTRUCTIONS FOR PRESENTATIONS TO
THE BOARD BY PARENTS AND CITIZENS**

The Oregon Virtual Academy welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

1. Agendas are available to all audience members at the door to the meeting or by requesting the agenda from School Officials (541-751-8060).
2. The "Public Comment" portion is set aside for members of the audience to raise issues that are not specifically on the agenda. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
3. When addressing the Board, speakers are requested to stand, to state their name and address, and to adhere to the time limits set forth.
4. Citizens may request that a topic related to school business be placed on a future agenda by submitting a written request at least seventy-two (72) hours in advance of any regular meeting. Once such an item is properly placed on the agenda, the Board can respond, interact, and act upon the item.

Hoping to get a parent involved in this committee. Look into Partners in Education Group for interest.

-Ms. Martin shares that the google account was set up as a nonprofit, but there will be a monthly charge for each member, as well as a yearly charge. The credit card will be charged each month/year.

-Mr. Jahn asks if the ORVA email domain can be changed so that board members reflect as “ORVA BOARD” rather than “ORVA ADMIN”. Mr. Werlein shares that this is not something that is being worked on – hoping that the google domain will solve most of the issues.

-Mr. Jahn reports that the board will be doing a HOS and K12 evaluation. The board has supplied the OSBA rubric and requests the recommended updates be made. Mr. Werlein shares that there is a marked-up version with comments with tracked changes, lists core competencies that should be considered – these should already be embedded in the OSBA document. It has been posted so the board can begin reviewing it.

K12’s review would be a separate process as OSBA’s document is more individual.

-Mr. Werlein shares that the finance dashboard is in progress. It has been simplified and inclusive of everything. Meetings with Myk each month to refine information. It has been posted for review. Mr. Herndon shares that the dashboard is as good as it is going to get for right now.
