The Oregon Virtual Academy welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. Ms. Hausmann replies that students take assessments during the onboarding process to assess the current knowledge that they have coming into ORVA.

Mr. Bray questions how late we allow students to enroll in ORVA.

Ms. Hausmann replies at elementary level students onboard every week for three fourths of the school year.

Mr. Bray asks if there has been a policy change with onboarding or if this is only happening because it is elementary level.
