

# Build Your Future Today

With Stride Career Prep, offered at many Stride K12-powered schools, students can use their middle school and high school years\* to figure out where they want to go and how to get there. In addition to core courses, students take career-focused electives in the high-demand field of their choice.\*\*

## 10 Ways to Get Ahead with Stride Career Prep

- Meet with a **school-based counselor** to explore career options.
- Set up a **Tallo.com profile** to access opportunities for scholarships, college admissions, internships, apprenticeships, jobs, and more.
- Explore your interests and strengths by setting up a tuition-free, one-to-one session with a **Stride Career Success Coach** where available.\*\*\*
- Explore the [Stride Career Prep pathways](#) offered and discover which one is right for you.

- Participate in **project-based learning** to gain real-world skills.
- Attend **online sessions with industry professionals** through Stride partners Nepris, Galvanize, Tech Elevator, and MedCerts.
- Access tutorials to help **build your resume and prepare for interviews**.

- Attend regular career exploration and networking events, such as **Job Shadow Week** or a **Career Camp**, to meet with professionals in the field.
- Earn **professional certifications** and prep for industry-recognized certification exams.†
- Apply for a **summer job**, an **internship**, or a **part-time job** in your field of interest.

\*Stride Career Prep is for grades 9–12. At some schools, career exploration is offered in middle school.

\*\*Opportunities vary by school; please visit your school page or check with your school counselor.

\*\*\*This option is only available to Stride Career Prep students who have a Tallo profile.

†Many Microsoft® Office certificates can be earned after completing one course. Other certificates require more classes to be better prepared, and students who participate in Stride Career Prep for at least two years will have further preparation for certification testing.

## 9 out of 10 Stride Career Prep Students Agree: Career readiness education paves the way for future success

Source: Spring 2020 DCA Student Satisfaction Survey.

### #FutureBuilt Student

I want to go into the pediatric side of healthcare because I really love children and I would love to help little kids. The classes I've taken have really excelled my knowledge in that and made me want to do that even more. –Kierra, 2020 Student<sup>1</sup>

<sup>1</sup>Kierra is a 2020 student at a Stride K12-powered school in Colorado, and her statement reflects her experience at her school.
