Application of Social-Networking Technology

Arkansas Virtual Academy teachers, administrators and staff will follow the policies set forth by the Arkansas Professional Licensure Standards Board (PLSB) described below.

Recommendations and Guidelines Regarding the Educational Applications of Social-Networking Technology Issued by the Arkansas Professional Licensure Standards Board

Increasingly, educators are utilizing social-networking technology tools for professional educational purposes. The Professional Licensure Standards Board, in concert with the Arkansas Education Association, the Arkansas Association of Educational Administrators, and the Arkansas Association for Supervision and Curriculum Development, offers the following cautionary guidelines to assist educators in assuring that their usage of these tools is consistent with the spirit and intent of the Code of Ethics for Arkansas Educators.

- 1) Prior to establishing professional social media accounts, a written explanation of the purpose of the account should be provided to district level administrators for approval. Professional use of social media should be approved by a district-level administrator, or his or her designee.
- 2) If Districts approve the use of professional social media accounts, parents/guardians should be notified of the purpose and provided an opportunity to “opt out.”
- 3) E-mail and/or social media tools and accounts should be kept separate. Professional accounts should be created and maintained separately for student and/or parent interaction and communications. An Authorized administrator or his or her designee should regularly monitor professional accounts and have full rights to modify the accounts.
- 4) Personal accounts should be for personal use only. School personnel should not add students and/or parents as “friends” or “associates” to personal accounts.
- 5) Use of social media during business/school hours should be on professional accounts and for professional or educational use only.
- 6) Digital correspondence between school personnel, students, or parents should be limited to professional and educational purposes only, and be conducted at appropriate times.

- 7) Images, audio, or videos of any school activities or students should not be digitally transmitted or streamed without prior written parental consent and/or must adhere to local district policies.
- 8) District policies should encourage personnel to report inappropriate use of digital and/or social media to appropriate district administrators. Possible ethics violations may be reported to the Professional Licensure Standards Board utilizing the “Code of Ethics for Arkansas Educators Allegation of Violation” form.
- 9) Districts should orient, educate, and/or provide guidance to students, parents, and staff regarding legal, safe, and ethical use of social media.

Contract Renewal and Non-Renewal

Arkansas Virtual Academy is an open enrollment charter school and was granted a waiver from teacher contracts and teacher fair dismissal act. The school utilizes at-will teacher contracts. Each contract is for a 12-month period and can be terminated at any time by either party.

Contracts are approved by the Board of Directors as needed based on student enrollment. All offers shall expire if not accepted in writing within two weeks from the date issued.

Employee Leave Policy

In an effort to achieve a cohesive working environment between ARVA employees, central office staff, ARVA Board of Directors and K¹² Inc., the following policy regarding leave has been established.

Annual Leave

Arkansas Virtual Academy full-time employees receive one (1) paid annual leave day for each month of the contract period. Part-time employees receive one half (1/2) paid annual leave day for each month of the contract period. Annual leave time must be taken in half or full day increments. Annual leave time does not include approved holidays such as:

Labor Day
Thanksgiving
Winter Break
New Year's Day
Martin Luther King Day
President's Day
Spring Break
Memorial Day

If an employee does not participate in the Weekly Conference Call by Elluminate and phone call each week, one half (1/2) day of leave must be taken. Scheduled internal professional development days will be treated in the same manner. If an employee does not attend the full day(s), leave must be taken. Leave for missed Weekly Conference Call or internal professional development will be taken from annual or sick leave, whichever is applicable at the time of absence.

If annual leave time is requested for more than two consecutive days, prior planning and approval must be obtained two weeks in advance in order to ensure that an extended gap in services to ARVA families does not occur. A "Request for Time Off" form must be submitted to the Academic Administrator (AA) or the Head of School (HOS), whichever appropriate. If annual leave time is requested for two consecutive days or less, the request must be submitted two days prior to the requested date. Extenuating circumstances may not allow for prior notice, however, as much notice as possible should be given for each request. The AA or HOS will work with each ARVA employee in order to approve annual leave requests; however, adjustments may be necessary if multiple employees submit leave requests for the same time frame.

Annual leave cannot be carried over from one year to the next. Teachers will work with the AA in scheduling annual leave to ensure that all ARVA students receive the best possible service during absence.

Sick Leave

Due to the unique work environment of ARVA, flexibility exists which allows the employee to catch-up missed work due to illness. For example, an ARVA teacher may have a doctor's appointment during the morning hours of the day and work into the evening answering emails from parents to ensure that a timely response is provided. In cases like this, ARVA teachers are not required to submit sick leave. However, if there is a noticeable interruption of service to families due to illness of an ARVA teacher, their child or immediate family member(s), sick leave time must be taken. As a general rule, sick leave should be requested if families, when asked, would indicate an interruption in service and the teacher was unable to provide alternate service within the calendar week.

Arkansas Virtual Academy full-time employees receive one (1) paid sick day for each month of the contract period. Part-time employees receive one half (1/2) paid sick day for each month of the contract period. In accordance with §6-17-1205 employees can accrue up to ninety (90) days of unused sick leave. Sick leave will be taken in half or full day increments. Upon departure or dismissal from ARVA, an employee's sick leave bank can be transferred to another public school entity upon the employee's written request.

A "Request for Time Off" form should be submitted within one business day of the illness or use of sick leave. Prior approval, when possible, should be obtained for use of sick leave for extended illness, surgery, etc., to allow for arrangements to be made ensuring coverage of services to ARVA families.

Maternity/Paternity/Adoption Leave

Arkansas Virtual Academy employees must utilize any unused sick leave when a leave of absence is for the purpose of maternity/paternity or adoption, prior to applying for unpaid leave under Family Medical Leave Act (if the employee qualifies for coverage). During such leave, the employee shall have the option to continue any/all benefits at the group rate, provided appropriate payment is made by the employee as indicated by selected insurance coverage.

Annual leave can be utilized for maternity/paternity or adoption leave, however, it is not required.

Arkansas Virtual Academy employees should provide a sixty (60) day notice, if possible, when a leave of absence is for the purpose of maternity/paternity or adoption to allow for arrangements to be made ensuring coverage of services to ARVA families.

Leave Without Pay

Guidelines provided under the federal Family Medical Leave Act (FMLA) will be adhered to by the Arkansas Virtual Academy regarding leave without pay (LWOP) for specific reasons. Contact the Director of Operations for additional information on FMLA. Request for leave without pay outside of FMLA guidelines will be considered on an individual basis with the decision made jointly by the Academic Administrator and the Head of School. All LWOP requests should be submitted four weeks prior to the requested leave period, when possible. The Head of School will provide in writing a decision regarding the request within ten (10) days of the request. Arkansas Virtual Academy employees on LWOP will not be reimbursed for home office expenses such as; internet connection, monthly phone bills, etc.

Equal Opportunity Employer

Arkansas Virtual Academy (ARVA) is an equal opportunity employer committed to a policy of equal employment opportunity for all applicants and employees.

It is the policy of the ARVA Board of Directors and ARVA administration to ensure that all employees comply with the spirit and intent of federal, state and local law, government regulations, Executive Orders regulating affirmative action and equal opportunity in employment. Arkansas Virtual Academy will hire, train, promote, compensate, and administer all employment practices and benefits without regard to race, sex, pregnancy, childbirth, religion, marital status, age, national origin, disability, veteran status, or any other category protected by federal, state, or local laws.

Arkansas Virtual Academy fully supports the Americans with Disabilities Act and will reasonably accommodate disabled employees and applicants who can

perform the essential functions of a job for which they are qualified, with or without accommodation, unless undue hardship to ARVA exists.

Grievance Procedure

The grievance procedure is a process in which employees can bring workplace problems to supervisors. Before the grievance process begins, the employee needs to address the problem with their immediate supervisor. If the problem has not been resolved to the satisfaction of the complainant through informal discussion with their immediate supervisor, she/he has the right to file a grievance in accordance with the following procedure. A grievance should be filed within ninety days (90) of the incident(s) in the following manner:

1. Submit a letter to the Director of Operations to include the following:
 - a. A summary of the complaint, including nature of the complaint, relevant dates and incidents, and information on any informal discussion that may have occurred with the person(s) directly
 - b. Identify the person alleged to be responsible
 - c. Resolution sought
2. If the Director of Operations is the person the complaint is against, submit the letter to the Head of School (HOS).

Within two weeks (10 working days) the Director of Operations (or HOS when appropriate) will attempt to resolve the situation by discussion, investigation, or formal meeting(s) between the parties. The Director of Operations will meet with both parties and offer a resolution. Within ten working days the Director of Operations will submit findings and proposed resolution to both parties, with a copy going to the Head of School and the Chair of the ARVA Board. The grievant has five (5) working days to respond to the proposed resolution in writing, either accepting the resolution or rejecting and requesting to move forward with the process. The written response from the grievant should be directed to the Director of Operations.

If the grievant rejects the proposed resolution and desires to appeal the decision, in addition to the written response to the Director of Operations, the grievant must submit an appeal in writing to the ARVA Board for a hearing at the next regularly scheduled school board meeting unless both parties have agreed to a different date. The hearing will be open or closed at the discretion of the employee. The employee will have no more than ninety (90) minutes to present his/her concerns and testimony. The ARVA Board will provide a written response within ten (10) working days from the date of the hearing.
